Dear Patricia

Attached is the revised quote for two Schwarze M6 Avalanche sweepers. This bid is for a sweeper with only standard manufacturer provided equipment; the options you requested are broken out separately and not included in the pricing. Mark Spaulding of Balar Equipment has verified with Dean Giles of M.A.G. that any item that is **standard equipment** by the manufacturer is allowable for M.A.G. funding, even if these items would normally be ineligible under M.A.G. guidelines. This would include such items as air ride seats, conveyor flush out and carbide drag shoes. Please let me know if you have any questions regarding this quote,

Sincerely,

Peter Evans
Balar Equipment.
