Duet: Partners in Health & Aging
Duet (formerly Bestbudes Center DOAR) helps older adults and their families cope with challenges related to aging. We can't stop time, but we can make life better along the way.
We are a non-profit, interfaith organization that has been serving older adults in greater Phoenix since 1981.
From getting groceries and notes to the doctor, to health promotion activities and support groups, you can trust us to provide the compassionate help you need.
We're your partner in health and aging.

Mary in Scottsdale needs help getting groceries.
