

# Housing Placements for the 100,000 Homes Campaign

AZCEH is a proud partner and supporter of the 100,000 Homes Campaign. The 100,000 Homes Campaign is a national movement of change agents working together to house 100,000 vulnerable and chronically homeless individuals and families by July of 2014.

Please join us in reporting your efforts and success into the Campaign so that we can continue to help grow our collective advocacy voice on local, state and federal levels. Thank you!
