

MARICOPA ASSOCIATION OF GOVERNMENTS

INFORMATION SUMMARY... for your review

DATE:

May 9, 2011

SUBJECT:

Approval of the Draft FY 2012 MAG Unified Planning Work Program and Annual Budget and the Member Dues and Assessments.

SUMMARY:

Each year staff develops the MAG Unified Planning Work Program and Annual Budget. The Work Program is reviewed in early spring by the federal agencies and approved by the Regional Council in May. The proposed budget information was presented incrementally each month, and adjustments have been made as information was received.

The Management Committee reviewed the development of the Work Program and Annual Budget at its meetings on January 12, February 9, March 9, April 13, and May 11, 2011. The Regional Council reviewed the draft budget document at its meetings on January 26, February 23, March 30 and April 27, 2011.

MAG Dues and Assessments for FY 2012 were presented in January 2011 with a proposed overall decrease of 50 percent due to economic conditions.

Each year new projects are proposed for inclusion in the MAG planning efforts. The proposed new projects for FY 2012 were first presented at the February 9, 2011, Management Committee meeting, the February 14, 2011, Executive Committee meeting, and the February 23, 2011, Regional Council meeting. These new project proposals come from the various MAG technical committees, policy committees and other discussions with members and stakeholders regarding joint efforts within the region. These projects are subject to review and input by the committees as they go through the budget process. No additional revisions have been made to proposed projects from last month's presentations.

The review of the draft Work Program and Annual Budget for the Intermodal Planning Group (IPG) meeting on March 29, 2011, resulted in some formatting changes to the budget document but we have not received any other recommendations for the FY 2012 Work Program and Annual Budget document at this time.

The draft FY 2012 draft Work Program and Annual Budget reflects an decrease that is primarily due to lower anticipated consultant costs. There are decreases in personnel and overhead costs overall of 5.80 percent. These decreases are mostly due to reduced legal costs for air quality legal counsel and the reduction in budgeted rent after the office space lease was renegotiated during this year. Overall, including carryforward totals, the final draft budget for FY 2012 reflects a decrease of 10.61 percent from the budgeted amount in the current year.

The draft of the FY 2012 MAG Unified Planning Work Program and Annual Budget has narrative by division and associated program costs, and draft schedules in the budget appendix, including overall program allocations, allocation of funding by funding source, budgeted positions, dues and assessments, and consultant pages for new and carryforward consultants.

The MAG region, as a Transportation Management Area and as a Metropolitan Planning Organization, is required (by federal regulations 23 CFR 450.314) to describe all of the regional transportation-related

activities within the planning area, regardless of funding sources or agencies conducting activities. The regional transportation projects received from other organizations are noted in the Work Program.

PUBLIC INPUT:

None.

PROS & CONS:

PROS: MAG is presenting the final draft FY 2012 budget, which provides for an incremental review of key budget details of the complete draft budget.

CONS: None.

TECHNICAL & POLICY IMPLICATIONS:

TECHNICAL: The Federal Intermodal Surface Transportation Efficiency Act of 1991 requires a metropolitan planning organization to develop a unified planning work program that meets the requirements of federal law. Additionally, the MAG By-Laws require approval and adoption of a budget for each fiscal year and a service charge schedule.

POLICY: As requested by the MAG Executive Committee and subsequently approved by the Regional Council in May 2002, the MAG Work Program and Annual Budget detail is being presented earlier to the Management Committee and there is increased notice to members on the budget as it is drafted. MAG is providing a budget summary, "MAG Programs in Brief," that outlines new programs and presents the necessary resources to implement these programs. This summary allows member agencies to quickly decipher the financial implications of such programs prior to their approval for implementation. The draft FY 2012 Unified Planning Work Program and Annual Budget is also provided.

ACTION NEEDED:

Recommend approval of the resolution adopting the Draft FY 2012 MAG Unified Planning Work Program and Annual Budget and the member dues and assessments.
