TERROS, Inc.	<p>Mobility Management – Applying for funding for Sub-regional Mobility Manager-Central Phoenix. Funds are for salary, benefits, and expenses \$80,955</p> <p>Twenty GPS tracking devices \$11,500 – replacement</p> <p>Twenty-five i-buttons, a dispatching tool for Crisis Response Network, a collaborator. \$3,125.00 – new</p>	<p>The clients served by TERROS, Inc. and its collaborators Lifewell Behavioral Wellness, Inc. (Lifewell), Suicide Prevention Center Inc. (EMPACT-SPC), and Crisis Response Network (CRN) includes families, adults, adolescents, and children who have a serious mental illness and may also have co-occurring substance abuse issues. Most of these clients have been determined to be disabled and are dependent on the agencies for their transportation needs to and from treatment. TERROS, as a network partner of CRN, is also one of the leading behavioral health agencies to supply mobile crisis services in Maricopa County.</p>	<p>The range of services extends throughout all of Maricopa County.</p>	<p>GPS Tracking devices – the units asked for will be replacing units bought with previous Section 5310 Awards. Some of these units are four years old, and are in need of upgrades. GPS helps insure safe operation of vehicles, tracking of company assets, and more efficient dispatching. Another benefit is the tracking of vehicle maintenance schedules, and planned repairs.</p> <p>i-buttons – Dispatchers will be able to connect a driver or team to a vehicle which will aid in assigning mobile crisis counselors to events in similar geographical areas. This will improve efficiencies, and decrease down time.</p>	<p><b>64,500</b> Unduplicated Clients with approximately 5% of those being elderly and disabled, and 95% considered to be non-elderly disabled.</p> <p>Passenger trips annually:</p> <p><b>115,350</b> trips</p> <p><i>*Combined totals for all collaborating agencies</i></p>	<p>TERROS will also serve as the umbrella agency with Lifewell, EMPACT-SPC and CRN in the use of a GPS-based, real-time vehicle monitoring system which allows for the collection and reporting of crucial fleet data that aids in the coordination of services through more efficient scheduling, routing and dispatching. Agencies will be able to track their respective fleets, and TERROS will supply training and equipment upgrades.</p> <p>TERROS will also continue to serve as the sub-regional Mobility Manager in Central Phoenix, and will be the voice of the non-profit segment of the county in the</p>	<p>2012: Mobility Management \$75,000.00</p> <p>2011: Mobility Management and GPS Tracking Equipment \$102,000.00</p> <p>2010: Mobility Management and GPS Tracking Equipment \$84,800.00</p> <p>2009: Mobility Management and GPS Tracking Equipment \$166,680.00</p> <p>2008: Mobility Management and GPS Tracking Equipment \$70,000.00</p>
