

July 1, 2013

TO: Members of the MAG Management Committee

FROM: Eric Anderson, Transportation Director

SUBJECT: FY 2014-2017 HIGHWAY SAFETY IMPROVEMENT PROGRAM (HSIP) PROJECT APPLICATIONS

Member agencies are invited to submit project applications for qualifying road safety improvements in fiscal years(FY) 2014-2017, to be funded with federal Highway Safety Improvement Program (HSIP) funds. Project applications must be submitted via email to: hsip@azmag.gov by noon on Friday July 26, 2013. Late applications will not be accepted.

A total of \$1.3 million/year in HSIP funds allocated to MAG by the Arizona Department of Transportation (ADOT) for "Systemic" or "Spot" safety improvement projects that are eligible for HSIP funds.

Guidance on information required for "Systemic" and "Spot" safety improvement projects is provided on the project application form. The Excel-based project application form can be downloaded from the MAG website at:

[http://www.azmag.gov/Documents/MAG-HSIP Application FY2014-2017.xlsx](http://www.azmag.gov/Documents/MAG-HSIP%20Application%20FY2014-2017.xlsx)

This call for projects will result in the programming of safety improvement projects in the MAG TIP for FY 2014-2017. The determination of project eligibility for use of HSIP funds will be made by ADOT in consultation with the Federal Highway Administration. A full description of the MAG process for programming FY 2014-2017 HSIP funds is attached.

In addition to this source of HSIP funding, ADOT also has a statewide pool of federal HSIP funds (\$32.7 million/year) available for larger safety improvement projects to be selected and programmed by ADOT. Project applications for this HSIP funding source are to be made directly to ADOT. Please contact MAG staff if you need assistance in connection with projects that you may be considering for this funding source. For additional information or if you have questions, please contact Sarath Joshua at (602) 254-6300.
