Pinal County Surface Transportation Program

- The Pinal County Surface Transportation Program (PC-STP) Programming and Evaluation Policy was approved by the MAG Regional Council on February 25, 2015
- An estimated \$5.7 million in funding is available for projects between Fiscal Year 2017 and 2019
 - Includes the un-programmed carry-forward from Fiscal Year 2014 through 2016

Pinal County Surface Transportation Program: Goals and Objectives

- The program is based on six goals and objectives:
 1. Expand capacity on existing roadways or intersections of high demand
 2. Maintain and preserve the region's transportation system
 3. Address safety concerns in the existing roadway/intersection conditions
 4. Promote connectivity between high demand/capacity roadways and activity centers to advance economic viability
 5. Maintain consistency with stated jurisdictional policy
 6. Achieve a significant reduction in congestion on the region's transportation system.
