SAFETY PLANNING
AMENDMENT NO. #2
02/21/2013

TO ALL PROSPECTIVE RESPONDENTS:

This amendment is issued to provide a revision related to the Maricopa Association of Governments Request for Qualifications for the On-Call Consulting Services for Intelligent Transportation Systems and Transportation Safety Planning. The information contained in this amendment shall be incorporated, as necessary, into the previously issued RFQ documents and acknowledged in responses to this RFQ.

This amendment contains the following text on Page 6; Statement of Qualifications; Content; 8. Individuals and Expertise (additions are in **bold** font, deletions are ~~struck out~~):

“A complete listing of all individuals to be included under each area of expertise, specifying their level of participation in each of the ~~examples for the~~ areas of expertise identified in item ~~six (6)~~ **five (5)**. This information must be provided in a spreadsheet or tabular format with subconsultants listed separately. Project managers on assignments that involve traffic engineering elements must be currently registered in Arizona.”

All other requirements and terms of this Request for Qualifications remain unchanged.

Any questions regarding this RFQ or its addendum should be addressed in writing to: Sarath Joshua; Maricopa Association of Governments at sjoshua@azmag.gov.
