

ADOT = "The Standard of Excellence for Transportation systems and Services".

MAG is sponsoring a **workshop** in conjunction with on ADOT Right of Way Audits on Tuesday, September 25, 2012 from 12:00 (noon – please bring your lunch) to 3:00 PM. The workshop cost is: free.

ADOT Audit Procedures

This workshop will show how the ADOT Right of Way department audits the Federally Funded project files. It will help tune up your files and organize them, so **WHEN*** FHWA comes to audit, the files will be in compliance with the Uniform Act. The audits that ADOT performs are not meant as a chastisement, but as help in setting up and maintaining your Federally Funded files accordance with the Uniform Act. *Please remember it is not "if" but WHEN !

Please RSVP by September 17, 2012, to Maureen DeCindis at mdecindis@azmag.gov

Please try to be at the workshop by 11:45 a.m. or so, in order to meet the ADOT Audit staff. We will be answering questions as well.

The workshop will be held at MAG offices, 302 N. First Avenue, 2nd Floor, Cholla Room.
