

State of Good Repair Initiative Grant Application Update

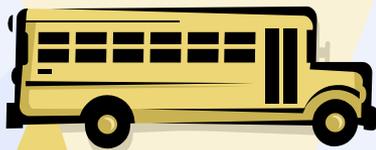

Transit Committee
August 12, 2010

Overview

- **State of Good Repair Bus and Bus Facilities Initiative**
 - \$775 Million available nationwide
 - Five applications from the MAG region
 - Six operators participating
 - Projects presented at June 2010 meeting but not ranked
 - FTA requested that MPOs rate the projects after initial review

Evaluation Criteria

- The ratings request from FTA included the following five criteria:
 1. Planning and Local Prioritization
 2. Project Readiness
 3. Financial Capacity
 4. SGR Demonstration of Need
 5. FTA Goals

Evaluation Criteria

- **Planning and Local Prioritization**
 - Inclusion of project in TIP
- **Project Readiness**
 - Immediate implementation
- **Financial Capacity**
 - Dedicated operating funds
- **SGR Demonstration of Need**
 - Full funding available regardless of grant award
- **FTA Goals**
 - Consistent with goals of the NOFA

Evaluation Criteria

- **Scoring System**
 - Very Highly Recommended (4)
 - Highly Recommended (3)
 - Recommended (2)
 - Low Recommendation (1)

Final Rating

Recipient	Project Description	Federal Amount Requested	Planning and Local Prioritization	Project Readiness	Financial Capacity	SGR Demonstration of Need	FTA Goals	Total Rating
City of Phoenix	The request to procure twenty diesel-electric-hybrid buses with 2010 emissions standards-compliant diesel engines in order to evaluate a future propulsion alternative for the City of Phoenix fleet.	14,537,700	4	4	4	3	4	19
