

# Local Transportation Assistance Fund (LTAF)

Transportation Policy Committee  
October 20, 2010

# Overview

- Repealed by the Arizona Legislature
- \$32.2 million statewide, mostly used for transit service
- \$22.0 million from Maricopa County jurisdictions.
- League Conference Resolution

# League Resolution

**Urges the Legislature to identify a permanent, designated funding source to support the development and operation of a comprehensive multi-modal public transportation program in this state. This would be new funding with no impact on state shared revenues.**

# Requested Action
