

# Local Transit Discussion

MAG Planning Certification Review  
November 3, 2009

# Current Transit Planning Activities

- Regional Transit Framework Study
- Commuter Rail Studies
- Transit Lifecycle Program Update

# Regional Council action in September for MAG to:

- Assume transit programming functions
- Form a transit committee to help coordinate transit programming and planning
- Report back to the Executive Committee in 90 days on integrating additional transit planning functions

# MAG Transit Committee: Process

- Officers selected by the MAG Executive Committee in Oct.
- Committee appointments made by MAG Regional Council Chair
- First meeting to be held in December

# MAG Transit Committee: Duties

- Recommend transit projects for inclusion in the TIP
- Review annual discretionary grant requests
- Develop procedures document for transit programming
- Make recommendations on transit studies

# Upcoming Activities

- Possible integration of additional transit planning functions
- Updated agreement between MAG and transit operators currently being developed
