

Case 09-06 – New Section 306 - Geogrids

Comments from 4/1/09 Meeting:

1. Modify the second paragraph of 306.2 to provide clarity.

Response: See revision for modified language.

2. Correct spelling in title to Section 306.4.

Response: Typo corrected.

3. Provide definitions for the various geosynthetic materials to be specified.

Response: Definitions have been added to new Section 796 (Case 09-03).

4. Verify that “trafficable” is a word.

Response: Definition found on the Merriam-Webster Online Dictionary.

Written comments by City of Mesa:

1. In the last sentence of the second paragraph of Section 306.6, I suggest changing the "should" to "shall".

Response: Agreed, see revision – word changed.

2. Suggest that the last sentence of Section 306.8 ("Paving platform found...replaced.") be deleted as not appropriate for a measurement and payment section.

Response: Agreed, see revision. Sentence moved to the end of Section 306.7, “Repair” that deals with remedies for deficiencies.
