

DESERT PEAKS AWARDS NOMINATIONS

WORKING TOGETHER

The Desert Peaks Awards were initiated by the Maricopa Association of Governments (MAG) to recognize individuals and partnerships that have demonstrated a commitment to regionalism through their cooperative efforts. By working together, local governments can solve common problems, proactively address concerns that affect all communities, and produce impressive results that strengthen both individual communities and the region. These joint efforts often lead to a better use of resources and service delivery to citizens. By participating in this nomination process, you are helping us honor those people, projects and partnerships that make our region a great place to live, work, play and raise a family.
