# Committee Feedback

## Design should be:

- Simple - Not a lot of parts and pieces
- Elegant - Clean, contemporary, right scale
- Durable - Flooding, sun and vandalism
- Functional - Conveys the message
- Affordable - Cost of sign and maintenance
- Adaptable - Lighting option, City logo option, Urban & rural locations

## Materials:

- No corrugated steel
- Gabions (split comments)
- Maintain with typical sign shop equipment
- Limited "nooks and crannies"

INFORMATION

Path Rules & Regulations

The sign is a vertical rectangular panel with a white top section and a green bottom section. It features a map of the Valley Path area with a red line indicating the path route. The sign is mounted on two grey metal posts. The background shows a paved path leading to a pond, with trees and a clear blue sky.
