

Pro Walk/Pro Bike/ Pro Place

2016

Vancouver B.C. Canada

Pro Walk/ Pro Bike/ Pro Place 2016

Jason and I got to experience the City of Vancouver, which currently is experiencing a mode share of approximately 53%. This means that 53% of Vancouver's residents travel by Bicycle, Walking or Transit throughout their day.

Conference 2016

Met New Friends

Attended Sessions

Partied A little 🍷👍

Outstanding Bike Facilities

Outstanding Bike Facilities

Hotels Have Loaner Bikes, E-Bikes are Very Popular, and of Course "Mobi" Bike Share is Everywhere!

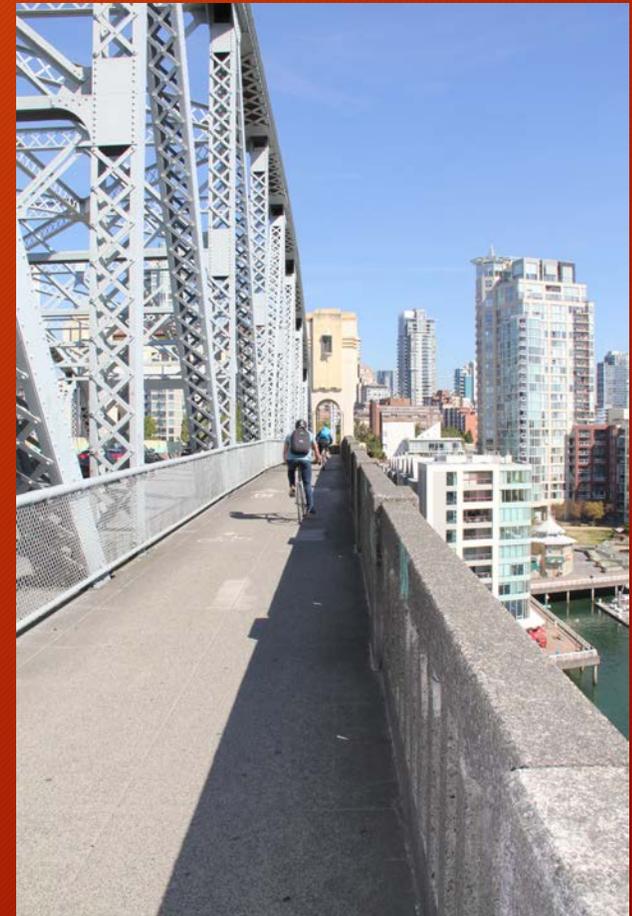

Outstanding Pedestrian Facilities

Not All Were Perfect

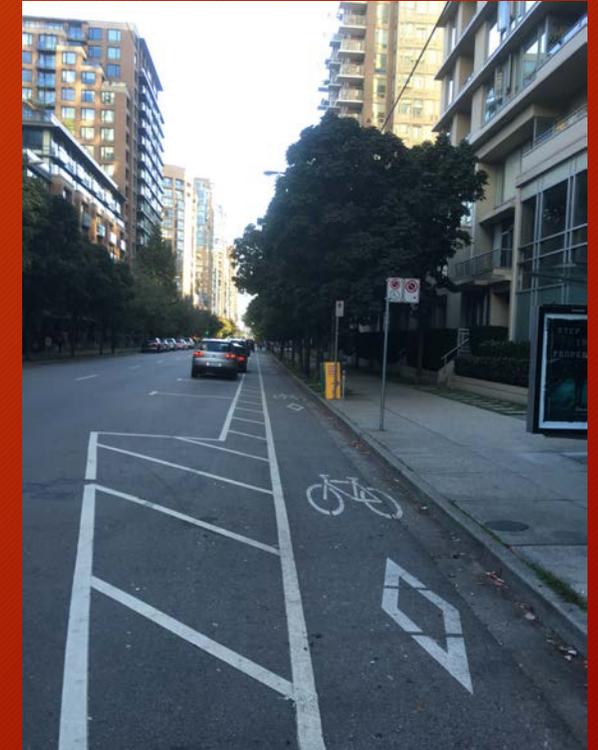

But the network is in place and utilized

Placemaking and Public Art

Retrofitting and Interim Conditions

Take Away from the Conference

More
Flexible
Design!

Interim
Facilities!

Break Away
From
Status Quo

Pro Walk/ Pro Bike/ Pro Place 2016

Jason and I hated to leave the City of Vancouver, but are very excited for what the future has in store for the MAG region and hope to bring the progressive thinking and place making vision home to the MAG region.
