

# Governmental Unit Responsibilities

- Review and update Boundary and Annexation Survey maps.
- Recruit job applicants at 3-5X the number of field positions required.
- Provide space for testing and training throughout the community.
- Conduct promotion and awareness campaign among local residents.
- Provide secured local office space with phones and basic office furniture.
- Hold funds and pay temporary census staff based on invoices provided by the Special Census Office.
- Review preliminary counts of population and housing units.
