Dear Mrs. Mead,

I am writing to express my interest in serving as either Chair or Vice Chair of the Regional Continuum of Care Committee. This Committee will play a critical role in implementing multiple paradigm shifts, coordination of care, systems change and improvement, and alignment of resources to meet HEARTH requirements and shared objectives. I believe I have the potential to be helpful in facilitating dialogue and bringing the group to consensus in these areas. Over the past decade, I have demonstrated the ability to think and process at a systems level and make decisions in the best interest of the entire community.

It is my understanding that the leadership must be representative of 2 different categories. I believe my current role as the Chief Program Officer at UMOM affords me the opportunity to serve in any of the following membership categories:

- Nonprofit homeless assistance providers
- Victim service providers
- Faith-based organizations
- Social service providers
- Affordable housing providers
- Organizations that serve veterans

I have attached my resume in the event that it is helpful. Please do not hesitate to contact me with any questions. Thank you very much for the opportunity to apply.
