The 2015 Express Full-Size Passenger Van is the perfect fit for all your business needs. Whether it's shuttling customers to and from the airport, transporting passengers around town, or any other commercial purpose, Express is sure to get everyone there with ease.

Suppose you have a large group of people to transport from place to place. You want to be sure everyone rides in comfort, with safety and security. Express Full-Size Passenger Van is ideal for traveling with a large number of people because it can easily accommodate everyone.

Nothing feels better than peace of mind. And when you're riding in Express, you'll have plenty of it. That's because your 2015 Express Passenger Van comes standard with Chevrolet Complete Care. As your comprehensive owner benefit program, Chevrolet Complete Care offers a 5-year/100,000-mile powertrain warranty,[‡] which includes roadside assistance, courtesy transportation and 2 years/24,000 miles[‡] of scheduled maintenance.[‡] Plus, you'll get OnStar Directions and Connections Plan for 6 months and the OnStar Basic Plan for 5 years standard.

VERSATILITY IS STANDARD

Customizable all around

Express is completely customizable on the outside with space for anything you or your passengers might want to bring along. The rooftop is the perfect place to store equipment, luggage, or anything else that needs to be transported with you. No matter what you're looking for in a van, Express can accommodate your needs

ABUNDANT SPACE ALL AROUND

Room for everyone

Seating for 12 is standard on all 2500/3500 Full-Size Passenger Van models and seating for 15 is available when you opt for the extended wheelbase. If you need more room for cargo and supplies, opt for the 8 passenger Express with regular wheelbase. Passenger doors and rear swing-out doors come standard for easy loading, unloading, exit or entry. With available options for the driver and every passenger, Express is the ideal van to accommodate every need.

It's all about comfort

You're carrying valuable cargo. That's why Express Full-Size Passenger Vans offer spacious comfort for you and all of your passengers. Power windows and door locks are now standard on all models. Rear passenger air conditioning is standard on all LT and available on LS models. Side aisle room on 2500 and 3500 models gives you plenty of room for easy entry and exit without sacrificing seating. The available navigation radio ensures you get where you're going.

12 PASSENGER / 15 PASSENGER

EXPRESS KEEPS YOU PROTECTED

Safe and sound

Advanced engineering and safety technology like the StabiliTrak[®] Electronic Stability Control System, standard on every Express Passenger Van, works in harmony to help prevent collisions. Express offers optimal safety before, during and after a collision.

2015 Express full-size passenger van Stabilitrak animation

BEFORE

Working in conjunction with StabiliTrak, the Trailer Sway Control feature helps you stay on track. With auto grade braking, standard on Express Full-Size Passenger Van 2500/3500 models, the 6-speed heavy-duty transmission downshifts automatically to help slow the truck when you apply the brakes while descending long, steep grades.

DURING

Express Passenger Vans come standard with head-curtain side-impact air bags[†]. Also standard is Enhanced Technology Glass, which provides an added safety feature as it protects passengers from exiting the vehicle on impact.

AFTER

OnStar[®] Automatic Crash Response[†], standard for six months on Passenger Vans, means you're automatically connected to emergency assistance if an accident occurs, whether or not the air bags[†] deploy.

COMPLETELY CAPABLE

Express works hard for you

Wherever you and your passengers need to go, Express can take you there. You'll get the capability of an available 6.0L V8 engine with 342 horsepower — the most of any engine in its class. Equally as impressive is the available Duramax 6.6L Turbo-Diesel V8, which provides the most torque of any vehicle in its segment.

Hydra-Matic transmission

The standard Hydra-Matic® 6-speed automatic transmission includes Tap-Up/Tap-Down Driver Shift Control and auto grade braking to automatically slow the vehicle using the engine.

WE'RE WITH YOU ALL THE WAY

Chevrolet Complete Care is our commitment to ensure your satisfaction with the excellent service and support you would expect when purchasing or leasing a Chevrolet.

- We've got you covered through comprehensive warranty programs, 2 years or 24,000 miles of included scheduled [maintenance](#)[‡] and 5 years or 100,000 miles of roadside assistance with courtesy [transportation](#)[‡].
- You're more connected than ever with: 5 years of the standard OnStar® [Basic Plan](#)[‡] and 6 months of OnStar Directions & [Connections](#)[‡].

See for yourself how Chevrolet stacks up against the competition.

TECHNOLOGICALLY COMPLETE

Solutions that work for you

Express offers more technology than you'd expect to see in a commercial van. The standard Driver Information Center includes easy-to-read displays that relay vital information from under the hood to the driver. Express is the van that will make your job easier.

Navigation radio

Forget looking for directions on your phone or fumbling around with your GPS. Simply enter the destination address and let the available navigation radio do the rest. You'll love the easy-to-read and even easier-to-follow directions. And available [OnStar](#)[†], makes in-dash navigation even better. Now, you can program and send destinations straight from the Internet or your smartphone to your navigation screen with [eNav](#)[†], or just push your blue button for help from an OnStar Advisor.

USB Connectivity

The available USB [port](#)[†] allows you to plug in your MP3 player or music-loaded flash drive and charge certain devices on the go.

Satellite Radio[†]

Three trial months of available SiriusXM Satellite [Radio](#)[†] with dozens of commercial-free stations, is standard on most models. Listen to your favorite news, weather and music stations from coast to coast. [See channel listings and more info.](#)

Rear Park Assist

We wanted to make backing up a little easier — and a lot safer. Available Rear Park Assist with a back up sensor and optional Rear Vision Camera have you covered. With the environment behind the van in view, you'll be more aware of your surroundings.

OnStar Basic Plan keeps you connected for five years, at no additional cost

Stay connected to everyone and everything that matters with the OnStar Basic Plan on 2015 vehicles, including RemoteLink[®] Key Fob [Services](#)[†] to remotely start (requires factory-installed and enabled remote start) and lock/unlock your car, and activate your horn and lights from your compatible smartphone. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple.

Bluetooth[™] Wireless Technology

Take calls at the touch of a button. Available Bluetooth[®] wireless [technology](#)[†] for select phones lets you make, answer and end phone calls with a tap of the steering wheel button. It even mutes the radio to take your calls.

Turn-by-Turn Navigation

Getting lost isn't an option with Express. It includes the [OnStar](#)[†] Directions & Connections[®] Plan with Turn-by-Turn Navigation, standard for the first six months. One press of a button and you are connected to an OnStar Advisor who can help you get to your destination. Voice-guided directions can be downloaded right into your van. Plus, you can send directions from your phone to your vehicle with the RemoteLink mobile app.

Autonet Mobile Wi-Fi

Now it's easy for your passengers to get online while on the go. Enjoy the convenience of Autonet Mobile [Wi-Fi](#)[†], an available accessory which turns the area surrounding your van into a 3G mobile hotspot so everyone can stay connected.

Power Outlets

New for 2015: You'll get the convenience of a 110V power outlet, an auxiliary outlet and an available USB [port](#)[†]. The 110V outlet is perfect for plugging in your laptop or charging other devices on the go.

100 YEARS OF SERVICE

From the first moment the GM Fleet & Commercial Stories From the Road team met Mosaic staffers, they knew that the organization was quite extraordinary. Their 100-year history of working to immerse developmentally disabled individuals into the greater community is awe-inspiring to say the least. ...

Your safety is very important to us

If you want to determine whether or not there is a recall on your current vehicle or on a vehicle you are considering, visit safercar.gov or call (888) 327-4236

1 3 Go to gmttotalconnect.com to find out which phones are compatible with the vehicle.

2 4 XM satellite service is available only in the 48 contiguous United States and D.C.

3 6 Monthly rates apply. Visit autonetmobile.com for details and coverage map.

4 15 Passenger Van, 2500 Cargo Van with 135" wheelbase and Duramax 6.6L Turbo-Diesel V8 engine, 2500 Cargo Van with 135" wheelbase and Vortec 6.0L V8 engine, 3500 Cargo Van with 155" wheelbase and Vortec 6.0L V8 or Duramax 6.6L Turbo-Diesel V8, 3500 Cargo Van with 135" wheelbase and Vortec 6.0L V8 or Duramax 6.6L Turbo-Diesel V8. Maximum trailer ratings are calculated assuming a properly equipped base vehicle, plus driver. See dealer for details.

5 7 Access is available for five years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details.

6 2 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

7 1 Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

8 8 Not compatible with all devices.

9 11 Map coverage available in the United States, Canada and Puerto Rico.

10 13 Whichever comes first. See dealer for details.

11 14 Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.
