

Maricopa Association of Governments Human Services Information Station and Virtual Youth Network

Please complete a brief survey to help us determine the impact to MAG member agencies and community partners based on ease of access, coordination and utilization of centralized information made available through the MAG Human Services Information Station and Virtual Youth Network.

Human Services Information Station: The MAG Human Services Information Station (HSIS) is a bridge to community and human services activities. MAG member agencies and community partners will be better informed about and more connected to human services resources in the region through the information and links provided.

1. The HSIS has increased my knowledge of available community resource: Yes ___ No ___
2. The HSIS has helped increase communication with other member agencies and community partners. Yes ___ No ___
3. The HSIS has increased collaboration among member agencies and community partners. Yes ___ No ___
4. Because of the HSIS, communities are benefitting from increased human services coordination and collaboration efforts. Yes ___ No ___

Comments:

MAG Virtual Youth Network: The Maricopa Association of Governments (MAG) Virtual Youth Network (VYN) provides information about activities and agencies concerning youth in the MAG region. The purpose of the site is to connect MAG member agencies and community partners with opportunities to improve the lives of youth.

1. The VYN has increased my knowledge of available resource for youth: Yes ___ No ___
2. The VYN has helped increase communication with other member agencies and community partners. Yes ___ No ___
3. The VYN has enhanced coordination efforts of programs aimed at improving the lives of youth. Yes ___ No ___
4. Because of the VYN, youth have benefitted from increased resources and improved coordination among member agencies and community partners. Yes ___ No ___
