

April 27, 2015

TO: Members of the MAG Technology Advisory Group

FROM: David L. Stevens, Maricopa County, Chair Technology Advisory Group

SUBJECT: 2015 MEETING SCHEDULE AND WORKING SESSION NOTIFICATION OF THE MAG TECHNOLOGY ADVISORY GROUP

At the last MAGTAG meeting, the committee discussed adjusting the meeting frequency. As a result of this discussion, the decision was made to meet bimonthly effective April, 2015. The 2015 meeting schedule is as follows.

May 21st, 2015
July 16th, 2015 (canceled)
September 17th, 2015
November 19th, 2015

Additionally, it was discussed that meeting a few times year in person would be beneficial. Therefore, the May 21st meeting will be a working session to be held in the MAG Chaparral Room at 10:00 a.m. TAG members are encouraged to attend this meeting in person to meet and discuss topics of interest for the 2015 Chair Initiative and other agenda items. These items include cyber security best practices, 3-1-1, open books and work force retention. The agenda for this meeting is forthcoming.

Thank you all for the good feedback and your commitment to making our time together valuable.

If you have any questions regarding the Technology Advisory Group agenda items, please contact Craig Chenery at (602) 254-6300.
