

# Enabling Communities of Practice Through Technology

Management Committee  
February 9, 2011

# Presentation Goals

- Define Community of Practice
- Define Role of Technology in supporting Communities of Practice
- Define Pilot Project
- Identify Project Schedule and Goal

# Pilot Project

- **External facing SharePoint**
- **Multiple Uses**
  - Community of Practice Engagement
  - Internal Use
  - Member Agency Use

# Schedule and Goal

- **Live in Q4**
- **Starting with the simplest implementation first**
- **Participant satisfaction as measured by a survey at the end of the pilot**

## Summary

- **MAG is creating an external SharePoint site in Q4 of FY 2011 primarily as a tool to promote regional collaboration.**
- **Excess capacity will be available to member agencies.**

# Questions?

**Audrey Skidmore**

**Information Technology Manager**

**Maricopa Association of Governments**
