

MAG Graffiti Stakeholders Meeting  
April 26, 2011  
Meeting Notes

1. Welcome and Introductions
2. Updates

MAG Graffiti Stakeholders Web Page

Members of the stakeholders group requested that the MAG Graffiti Stakeholders web page on the MAG web site be a resource page for member agencies and the public. It was recommended to include links and contact information to MAG member agencies for graffiti reporting and related. Other resources may be added and updated on an ongoing basis.

Additionally, members of the stakeholders group discussed ways to utilize the web page as part of a larger public awareness effort. An emphasis was placed on providing this information to schools. MAG staff will work to develop ideas for public awareness with the stakeholders group at the July 2012 meeting.

Stakeholder Updates

Members of the stakeholders group provided updates on graffiti reporting and abatement efforts.

3. Next Steps

Report to MAG Management Committee

The MAG Management Committee established the MAG Graffiti Stakeholders Group on June 8, 2011. A report to the Management Committee by state should be developed and presented in the coming months. A draft report will be circulated to members of the stakeholders group for review and feedback prior to being presented to the Management Committee. Components of the report will be discussed at the July 2012 meeting.

Other Items

Members of the stakeholders group requested that staff from Salt River Project (SRP) be contacted to discuss how vandalized SRP property could be jointly address with cities/towns. MAG staff will work to have representatives from SRP at the July 2012 meeting.
