

# Specifications & Details Outside Right-of-Way Working Group

March 26, 2013 Meeting (1:30 pm to 3:00 pm)

At

Cholla Room

Maricopa Association of Governments

302 North 1st Avenue

Phoenix, AZ

## Meeting Minutes

### DISCUSSION ITEMS

Peter Kandarlis reviewed the status of the modifications needed to create a new outside ROW standard. Two group members volunteered to help in the work with the following actions:

- Revise existing MAG sections and make modifications
  - Peter will take care of Section 200 items
  - Jacob Rodriguez will make changes to Section 300 items
  - No changes will occur in Section 700
  - More working group members are needed to work on other sections
- Vendors will be asked to bring to the working group new products for inclusion in this document (products not in roads/streets, but used outside ROW)
- Need to pull existing city supplements to find products/methods applicable to outside ROW

Other working groups will be requested to look at changes needed in their section revisions for compatibility with outside ROW standards.

The group's goal is to provide the MAG committee with a draft document in June 2013.

The next working group meeting will be **Wednesday May 1<sup>st</sup>** – to be held 1 hour prior to the main committee meeting (12:30 pm) to encourage attendance.

**We really need more participants.**

Peter Kandarlis
