Local Arizona Economic Development and Industry Trade Mission
Hermosillo and Guaymas, SONORA
"Building Binational Supply Chain and Trade Connectivity"
June 3-5, 2015
Agenda Forthcoming

An economic development and industry trade mission opportunity is being organized to build greater awareness and connections for local, county, tribal, and business organizations regarding binational economic development and industry opportunities in Hermosillo and Guaymas, Sonora.

The focus of this trade mission is to introduce local and regional economic development practitioners, chambers of commerce representatives and small and medium sized business leaders to key business and economic leaders in Sonora, meet officials/tour the Port of Guaymas and participate in local industry tours, including visits to companies and industrial parks involved in the following sectors:

- Aerospace*
- Automotive*
- Electronics*
- Medical/Optical*

Please RSVP your interest to Alana Chávez Langdon at alangdon@azmag.gov.
