Dear Mr. Smith:

PRESIDENT

Judy Jolley Mohraz

Virginia G. Piper Charitable Trust is pleased to support the work of Regional Community Partners. The Trustees have awarded a grant in the amount of \$40,000 to develop and implement an early literacy online data mapping tool for Read On Arizona communities. All of us at Piper Trust are delighted to assist with this worthwhile project.

Two copies of the Piper Trust's grant terms and conditions are enclosed. Please sign both copies and return one to the Trust at your earliest convenience. The Trust has scheduled an Automated Clearing House funds transfer in full payment of this grant. Acceptance of the deposit will indicate Regional Community Partners' agreement to the terms of the grant. Also enclosed are the reporting requirements for your grant.

We ask that you consult the Trust regarding any public communications about the grant award. You may contact Karen Leland, Director, Communications & External Relations, at kleland@pipertrust.org or 480.556.7125 to discuss communications strategies.

We look forward to working with you throughout the grant term on this important project.

Sincerely,

Judy Jolley Mohraz
President and CEO
