SUMMARY:

MAG staff has prepared draft Provisional July 1, 2010 Maricopa County and Municipality Resident Population Updates. The updates, which are used to prepare budgets and set expenditure limitations, were prepared using the 2005 Census Survey as the base and housing unit data supplied and verified by MAG member agencies. These updates are needed by the State Economic Estimates Commission by December 15th of each year and are provisional since they will be revised based on the Census 2010 results. The method used to calculate the updates was approved by the MAG Population Technical Advisory Committee (POPTAC).
