The Honorable Thomas L. Schoaf
Chairperson, MAG Regional Council
302 North 1st Avenue, Suite 300
Phoenix, Arizona 85005

Dear Chairperson Schoaf,

As you consider your annual appointments to the MAG Transportation Policy Committee, I would like to express my sincere interest in serving as the Chairperson for this committee.

While each of our communities has special needs, MAG is the lone entity that speaks for all of us. I have long supported a regional approach to problem solving and decision making. MAG is the only group that can stand up to a Legislature that seems bent on stripping cities of their rights and shared funds.

It has been a pleasure and a privilege working with my fellow mayors over the past few years. I have learned a lot and appreciate the patience and understanding they have extended to me. I am a better mayor and MAG representative today because of my experience on the Transportation Policy Committee.

I will keep in mind that I serve not only the residents of Surprise, but all residents in Maricopa County.

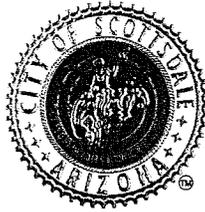

I would be happy to answer any questions you or the committee has and appreciate your consideration.

Respectfully,

Honorable Tom Schoaf
Chair, Regional Council
Maricopa Association of Governments
302 N. 1st Avenue, Suite 300
Phoenix, AZ 85003

Dear Mayor Schoaf,

I am writing to you today to confirm my strong interest in serving as Vice Chair of the Maricopa Association of Government's Transportation Policy Committee.

As the Mayor of the City of Scottsdale, I have been involved in the MAG processes as a participant of the Regional Council and a member of the Executive Committee. As Mayor and a member of MAG, I have strong belief that the quality of life for our region is greatly dependent on the ability to move people and goods from place to place in an efficient and effective manner. A strong regional transportation system will provide economic and social opportunities that will lead to better accessibility to markets, employment, and additional investments.

As effective regional transportation solutions continue to be of the utmost importance to our communities, I would appreciate your consideration of an appointment to Vice Chair of this committee and the ability to serve in this capacity.

Sincerely,
