

ITS Strategic Plan 2012

2012 ITS Strategic Plan

→ 2012 ITS Strategic Plan objectives:

- ✦ Shift from “projects” to “program/emphasis areas”
- ✦ Establish ITS investment targets for TIP programming
- ✦ Address both regional and local ITS priorities

Focus Areas for Regional ITS Investments

→ Freeway Operations (RTP)

- Active Traffic Mgmt
- Integrated Corridor Mgmt

→ Transit Operations (RTP)

- NextRide
- Transit Signal Priority

→ Arterial Traffic Operations (TIP)

- Multijurisdictional Corridors

→ Arterial Safety Enhancements (TIP)

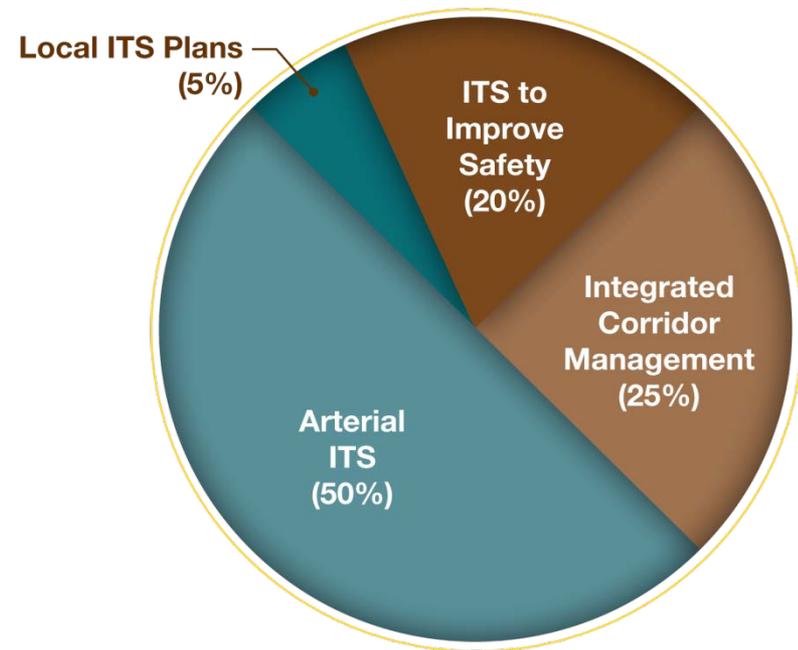

- Coordinated HAWK signals

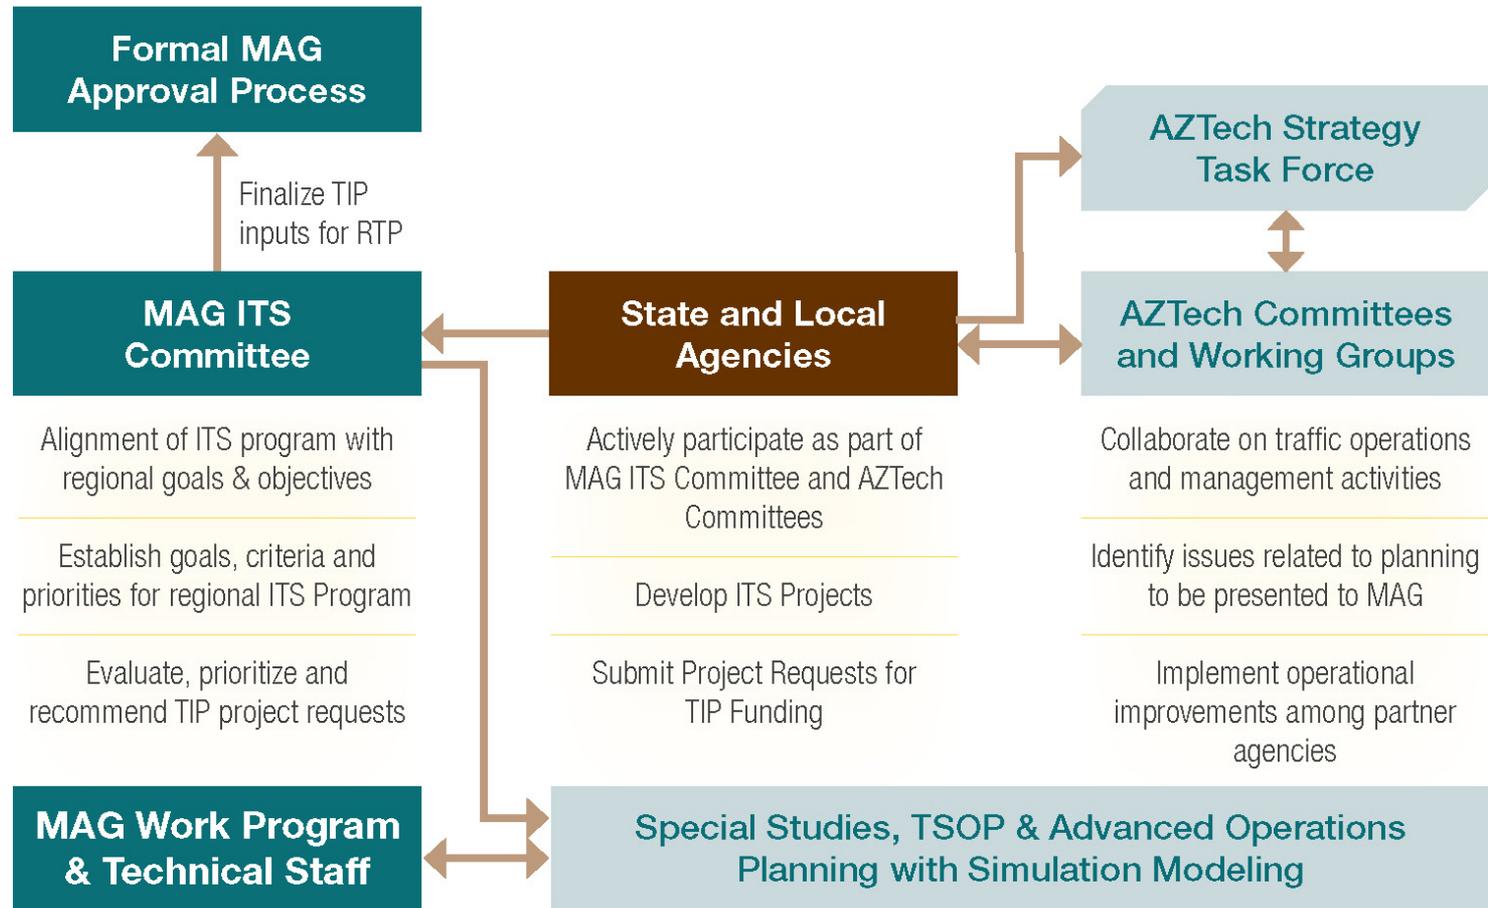

Investment Targets for ITS on Arterials

→ Arterial ITS projects - \$6 m/yr currently programmed through FY2014

→ Plan recommends:

Implementing the ITS Strategic Plan
