In 1997, Envision Utah launched an unprecedented public effort aimed to keep Utah beautiful, prosperous, and neighborly for future generations.

As a neutral facilitator, **Envision Utah** brought together residents, elected officials, developers, conservationists, business leaders, and other interested parties to make informed decisions about how we should grow. Empowering people to create the communities they want is still our goal.

Two future scenarios were contrasted with each other;
instead of the traditional current vs. future.
