**MAG Regional Council
Agenda Item #9

Transportation Improvement Program Manager

ADOT and the COG-MPO Loans

- ❖ ADOT has developed a loan program to assist Councils of Governments (COGs), and Metropolitan Planning Organizations (MPOs) to loan Surface Transportation Program (STP) funds that they are not able to use each year.
- ❖ The loan program between COGs, MPOs, and the State protects local agency federal funding (at risk).
- ❖ Requested repayment of “loaned” federal funding is mutually approved and documented.
