

FY 2016 EARLY PHASE INPUT OPPORTUNITY

Regional Council

October 28, 2015

Four-Phase Process

- **Early Phase**
- Mid Phase
- Final Phase
- Continuous Involvement

Input Opportunities

Transportation Ideas? Tell Us!

The Maricopa Association of Governments (MAG) is holding a call for transportation projects from its member cities, towns and communities to be included in the Draft FY2017-2021 MAG Transportation Improvement Program. As a member of the public, your project suggestions are important to us.

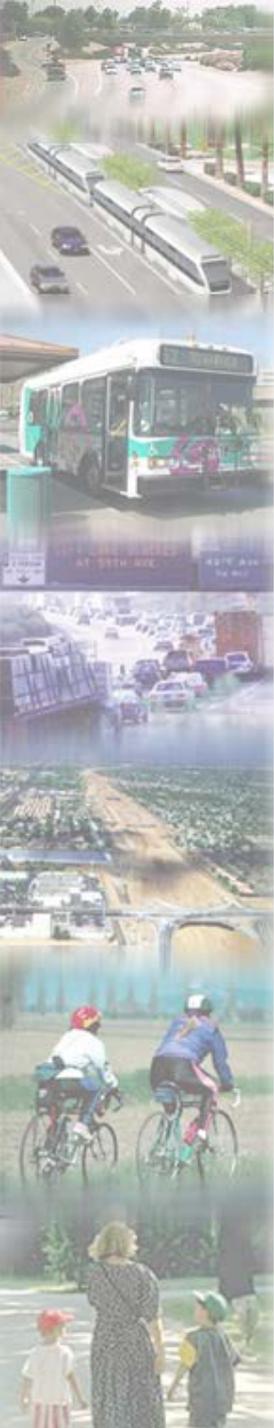

Funding is available for Bicycle-Pedestrian, Intelligent Transportation Systems, Paving of Unpaved Dirt Roads, PM-10 Street Sweepers, and for Pinal County arterial roadway projects that are in the MAG region. In addition, please provide your project suggestions for our regional transit system.

Please provide your comments before noon on Friday, September 4th, 2015.

For questions or to provide your comments via email, please send to jstephens@azmag.gov, or call Jason Stephens at 602-452-5004.

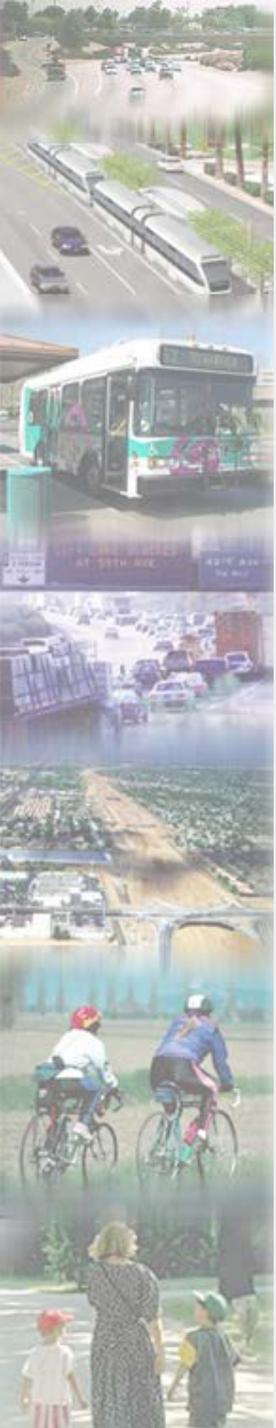

Summary of Questions/Comments

- Make traveling between 7th Ave. and 7th St. easier for walkers by using protected lanes.
- We need more dedicated bike paths in the Valley, not just lanes.
- I urge MAG and ADOT to work together to complete I-10 to three lanes in each direction as soon as possible.
- Please get all the cities to manage their left turn arrows on their street lights the same way.

Questions/Comments

- Increase bike lanes and makes them safer by using a barrier between bikes and traffic.
- Please pave the entire Aguila Road between Vulture Mine Road and Eagle Eye Road.
- There needs to be a regional paratransit system.
- Dust ordinances need to be strictly enforced.
