## 2016 AWARDS

No TIGER projects awarded in Arizona.

**U.S. Department of Transportation  
Proposed FY 2016 FASTLANE Project Awards**

Pursuant to Section 1105 of the FAST Act, the Department is providing this list of proposed awards to the authorizing committees of jurisdiction. This list must remain with the committees for 60 days before issuing the awards.

The U.S. Department of Transportation conducted a thorough and fully documented review process to choose projects that will have significant regional and national impacts by reducing congestion, expanding capacity, using innovative technology, improving safety, or moving freight more efficiently.

This list of proposed Fostering Advancements in Shipping and Transportation for the Long-term Achievement of National Efficiencies (FASTLANE) grant awards is the culmination of a thorough technical assessment of 212 applications requesting a total of \$9.8 billion, more than 10 times the available amount. Due to funding limitations, we were only able to fund a small percentage of the excellent, eligible applications.
