

## Maricopa Association of Governments Protocol Evaluation Project Evaluation Survey

The MAG Domestic Violence Protocol Evaluation Project was designed to assess current protocols used by law enforcement, prosecutors, and victim advocates in arresting and prosecuting domestic violence offenders at the misdemeanor level. The outcome will be a framework of promising practices and protocols aimed at enhancing communication, collaboration and public awareness across the region. Implementation of these tools will streamline data collection, and increase efficiencies in prosecuting misdemeanor domestic violence offenders.

Please take a few moments to complete the survey below. Your input will assist us in evaluating our efforts to increase public awareness, increase communication and collaboration, and strengthen partnerships across multi-disciplinary agencies, advocates and citizens to help improve the lives of domestic violence survivors through the arrest and prosecution of domestic violence offenders.
