REQUEST FOR PROPOSALS  
AMENDMENT No. 2

This amendment is issued to provide a revision related to the Maricopa Association of Governments Request for Proposals for the Southeast Valley Transit System Study. The information contained in this amendment shall be incorporated, as necessary, into the previously issued RFP documents and acknowledged in responses to this RFP.

This amendment contains the following:

- RFP page 10 - the RFP listed: It is required that the proposal be limited to a maximum length of 30-pages (8½" x 11" is preferred; response may include tabloid 11" x 17" pages as appropriate) including a cover letter and résumés. ~~appendices, and required forms.~~
