Rail Construction Projects

Future High Capacity Transit Corridors

Scottsdale/Rural Roads LINK

- Initial recommendations
 - Limited stop service
 - All trips between University/Rural and Camelback
 - 12 minute frequency (matches LRT)
 - Primary travel demand area
 - Peak period trips also serve North Scottsdale
 - Serves commute trips and new park-and-ride
 - Weekday only service
 - Route 72 continues, but with modifications
- Next steps
 - Complete operating plan
 - Define capital improvements
