

# Revised Federal Fund Programming Guidelines

Eileen Yazzie  
October 19, 2011

# Fed Fund Working Group - 2009

The Management Committee tasked the Working Group with addressing four issues:

1. Project deferrals
2. Project development and small and/or inexperienced member agencies
3. Project costs, and
4. Local financial commitment.

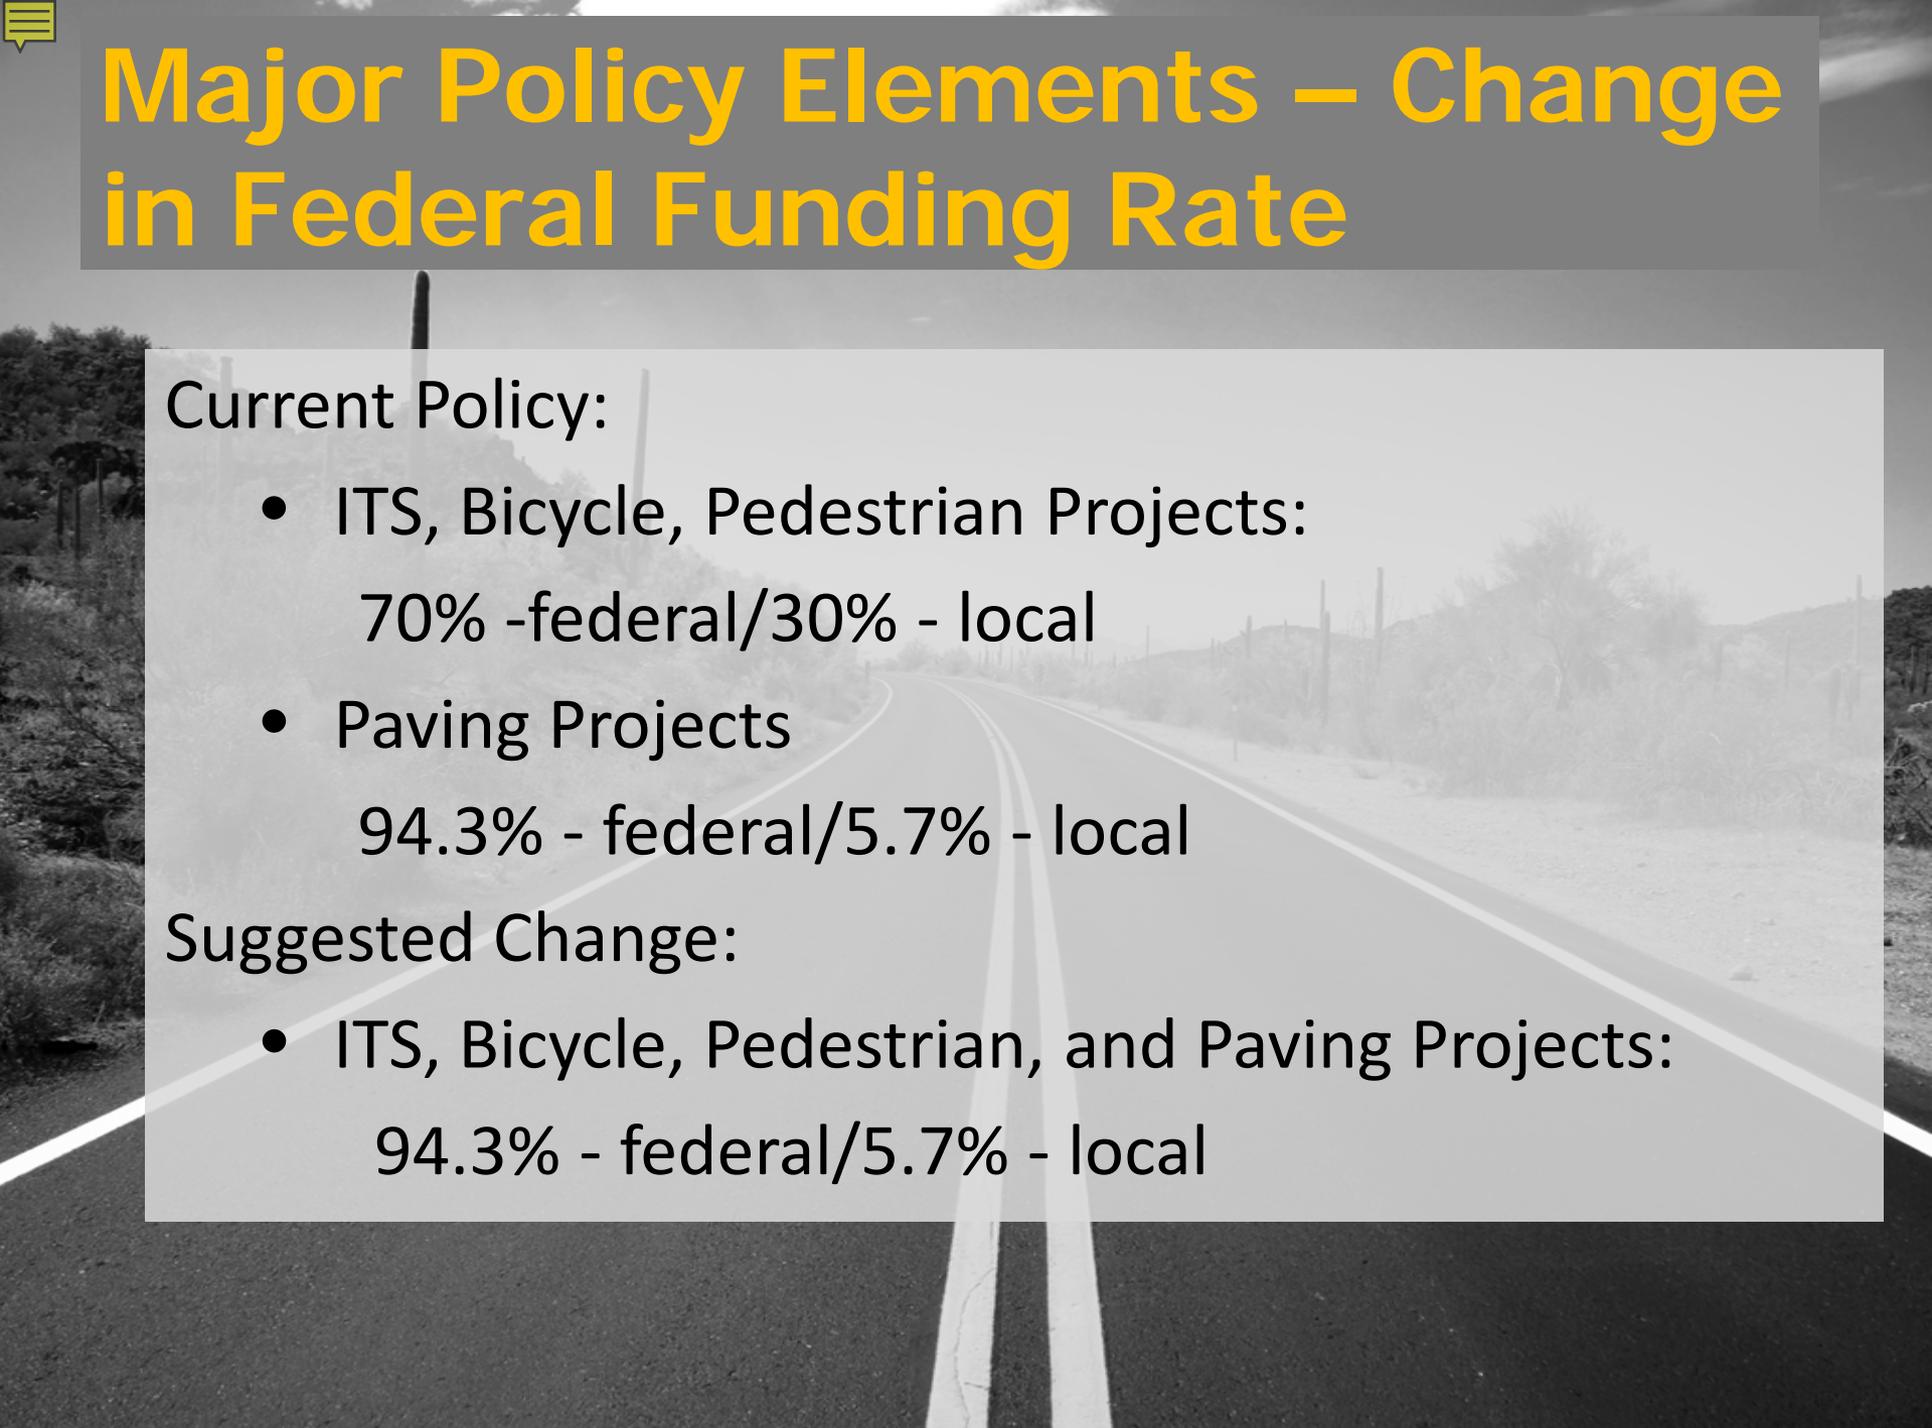

**Looking  
Forward**

**Revised  
Principles**

# Major Policy Elements

- Local Commitment
  - The project and local funds must be documented in an approved local CIP/budget document.
- Progress Reports & Milestones – Every 6 months
- A project can be deferred only once.
  - Second time - agency does not show continuous progress – project is deleted
  - Second time – external factor – project may be rescheduled

# Major Policy Elements – Change in Federal Funding Rate

## Current Policy:

- ITS, Bicycle, Pedestrian Projects:  
70% -federal/30% - local
- Paving Projects  
94.3% - federal/5.7% - local

## Suggested Change:

- ITS, Bicycle, Pedestrian, and Paving Projects:  
94.3% - federal/5.7% - local

# Next Steps

1. Implementation/Transition Schedule: TRC Oct.
2. Other Technical Advisory Committees: November
3. Project Status Report through committees for action: Dec – Jan.
4. Priorities for FY2012 Available Funds (Closeout): Dec.-Jan
