TO: Members of the MAG Intelligent Transportation Systems Committee
FROM: Nicolaas Swart, Maricopa County, Chair
SUBJECT: MEETING NOTIFICATION AND TRANSMITTAL OF TENTATIVE AGENDA

Wednesday, June 2, 2010- **9:30 a.m.**
MAG Office Building, 2nd Floor, Cholla Room
302 North First Avenue, Phoenix

A meeting of the ITS Committee has been scheduled at the time and place noted above. Committee members or their proxies may attend **in person, by video conference or by telephone conference call**. Those attending by video conference must notify the MAG site three business days prior to the meeting. Those attending by telephone conference call please contact MAG offices for conference call instructions.

Please park in the garage under the building, bring your ticket, parking will be validated. For those using transit, Valley Metro/RPTA will provide transit tickets for your trip. For those using bicycles, please lock your bicycle in the bike rack in the garage.

In 1996, the Regional Council approved a simple majority quorum for all MAG advisory committees. If the ITS Committee does not meet the quorum requirement, members who have arrived at the meeting will be instructed a legal meeting cannot occur and subsequently be dismissed. Your attendance at the meeting is strongly encouraged.

Pursuant to Title II of the Americans with Disabilities Act (ADA), MAG does not discriminate on the basis of disability in admissions to or participation in its public meetings. Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Jason Stephens at the MAG office. Requests should be made as early as possible to allow time to arrange the accommodation.

If you have any questions regarding the meeting, please contact Sarath Joshua at (602) 254-6300.

5. ADOT FMS Funding and Project Phasing Priorities

At the March 10, 2010 meeting ADOT informed the committee that due to the current economic problems and reduced RTP sales tax revenues the planned freeway system development has been reduced, including a \$15 million reduction from the FMS program that was originally allocated \$143 million in the RTP. This changed funding scenario and other possible changes to the direction of FMS implementation may require a reprioritization of all future FMS phases that have not started the design stage. Information on current and future projected freeway volume to capacity ratios have been generated to aid this discussion (See Attachment One). A draft FMS project phasing has been developed as a starting point for this discussion (See Attachment Two). The committee will discuss FMS related issues such as ramp metering, coverage needs in the region and possible changes required to make the FMS function better and recommend a

6. City of Goodyear TIP Project Change Request

The City of Goodyear has an ITS project, GDY13-902, programmed in FY 2013. The original scope of the project was to purchase four portable dynamic message signs that include wireless communication capabilities and pan-tilt-zoom cameras in the vicinity of the Goodyear Ballpark for spring training games and special events. A recent city project has added approximately six miles of fiber optic cable in the area with connections to the city network. As a result, the City of Goodyear has requested a change in the project scope to purchase and install fiber optic branch cables, dome cameras and associated equipment at nine intersections in the vicinity of the Goodyear Ball park at no additional cost.

7. Status Reports by Committee Members

Members will be provided the opportunity to report on-going ITS related activities in their jurisdictions.

8. Request for Future Agenda Items

Members will have the opportunity to suggest future agenda topics.
