

March 8, 2004

TO: Members of the MAG Population Technical Advisory Committee

FROM: George Pettit, Gilbert, Chair

SUBJECT: TRANSMITTAL OF MEETING NOTICE AND TENTATIVE AGENDA

Tuesday, March 16, 2004 - 10:00 a.m.
MAG Office, Suite 200, Saguaro Room
302 North 1st Avenue, Phoenix

A meeting of the MAG Population Technical Advisory Committee (POPTAC) will be held at the time and place noted above.

Members of the POPTAC may attend either in person, by telephone conference call or by videoconference. To videoconference to the meeting, prior arrangements need to be made with Heidi Pahl at MAG and or your site coordinator. Those attending by telephone conference call are requested to call 602-261-7510 between 9:55 a.m. and 10:00 a.m. After prompting, please enter the meeting ID number 767822 (POPTAC) on your telephone key pad followed by the pound sign. If you have a problem or require assistance, please dial 0 after calling the number above.

If you are driving, please park in the garage under the Compass Bank building. Bring your ticket to the meeting and marking will be validated. For those using transit, the RPTA will provide transit tickets for your trip. For those using bicycles, please lock your bicycle in the bike rack in the garage.

Please be advised that under procedures approved by the MAG Regional Council on June 26, 1996, all MAG committees need to have a quorum to conduct business. A quorum is a simple majority of the membership or 13 people for the MAG POPTAC. If you are unable to attend the meeting, please make arrangements for a proxy from your jurisdiction to represent you. If you have any questions or need additional information, please contact Anubhav Bagley at (602) 254-6300.

TENTATIVE AGENDA

1. Call to Order
2. Call to the Audience

An opportunity will be provided to members of the public to address the MAG POPTAC on items not scheduled on the agenda that fall under the jurisdiction of MAG, or on items on the agenda for discussion but not for action. Members of the public will be requested not to exceed a three minute time period for their comments. A total of

COMMITTEE ACTION REQUESTED

2. For information.

15 minutes will be provided for the Call to the Audience agenda item, unless the Chair of the POPTAC requests an exception to this limit. Please note that those wishing to comment on action agenda items will be given an opportunity at the time the item is heard.

3. Approval of Meeting Minutes of January 20, 2004
4. Preparation of July 1, 2004 Resident Population Updates

In preparation for the development of 2004 Resident Population Updates, the Arizona Department of Economic Security (DES) requested all cities and towns in the State to provide them with the names of designated contacts for obtaining information on annexations, population in Group Quarters and residential building permits/completions. In response to that request the Chairman of the MAG POPTAC forwarded a letter to DES staff suggesting that MAG be used as a clearing house for some of the data requested to avoid duplication of efforts. Particular reference was made to the collection of residential completions which are requested by MAG each quarter. On March 3, 2004 DES e-mailed a memo requesting residential completion information from MAG member agencies. According to DES staff the annexation survey is anticipated to go out the first week of April. And the survey of updated Group Quarters in July. Methods for streamlining the data collection process to avoid duplication of effort will be discussed. Please see Attachment One.

5. Release of Census 2000 Information

The Arizona State Data Center reported that on March 4, the Census Bureau released new Census 2000 tabulations on the Voting-Age Population by citizenship for each state and county. The tables also show national and state voting-age populations and their citizenship by race and ethnicity. Because this is an election year, there will probably be interest in knowing (even with Census 2000 data) the proportion of the 18 and older population in our states and counties that is eligible to vote. Please see Attachment Two.

3. For information, discussion and approval of the minutes of January 20, 2004.

4. For information and discussion.

5. For information and discussion.

On March 10 the Census Bureau will release to the public Estimates of State Populations by Age: July 1, 2003. This release includes the estimated state populations by specific age groups, such as the adult population (18 and over), elementary school-age (5 to 13) and older (65 and over). Numerical and percentage increases since Census 2000 included. These estimates can be used to cross check the composite method for producing annual population estimates. A status report will be provided by MAG staff and the implications of the data discussed.

6. Regional Annual Report

This year the Regional Development Division of MAG is producing its first Annual Regional Report. A representative from the Division will provide a description of the report and discuss its status.

7. Collection on Non-residential Permits

Since April 1, 1990, MAG has been collecting on a quarterly basis residential permit completions from its member agencies. The addresses of each unit have been geocoded and the completions are used to develop annual population estimates and provide input into the projections process.

MAG tried to collect non-residential permits in the past, but has not collected them for some time because of inconsistencies in the quality of data from some of the member agencies. These permits could be used to help update the existing land use file and the employment database. MAG staff will discuss with member agencies the potential for reinstating the collection of non-residential permit data.

8. Update of Employment Database

MAG has been working on an update of the employment database developed in 2000. A draft database will be circulated to member agencies for review and comment in the near future. A status report will be provided.

6. For information and discussion.

7. For information and discussion.

8. For information and discussion.

9. Preparations for 2005 Census Survey

In February 2004, MAG staff briefed the Management Committee and Regional Council on preparations that need to be undertaken for a 2005 Census Survey. A contract with the Census Bureau needs to be signed this month. MAG staff will be coordinating with the Census Bureau on the survey process. Member agencies need to give particular attention to filling out the Census 2004 Boundary and Annexation Survey, providing residential completions in a timely manner and updating its list of Group Quarter facilities. Ways in which MAG staff can assist member agencies in preparing for the Census will be discussed. Please see Attachment Three.

10. Preparation of DES County Population Projections

The last official DES State and County projections were adopted in February of 1997. DES has been awaiting the arrival of county to county migration data by single year of age from Census 2000 to develop an updated set of resident population projections for counties in Arizona. On March 5, 2004 a status report on the preparation of the State and County projections was provided by DES staff. DES has indicated that once they receive national projections of population by age, they will take the data that they already have available on population by five age groups, and begin the projections process. A status report will be provided.

11. Common Socioeconomic Projections Strategy

At the February 18, 2004 meeting of the Arizona Council of Governments Directors, the concept of building a common approach to socioeconomic data collection and modeling throughout the state was discussed. Subsequently, a meeting with Council of Governments staff was held on March 5, 2004 to discuss a common approach to socioeconomic data collection and modeling which builds on existing modeling capabilities to create the "next generation" of socioeconomic models. The preparation for creating this enhanced model suite will require an assessment of socioeconomic needs and a detailed description of what the models should do, including submodel interactions and database standards, prior to finalizing the development of the databases and

9. For information and discussion.

10. For information and discussion.

11. For information and discussion.

models. The Pima Association of Governments and MAG have already contributed the funds to prepare the complete requirements document. A status report will be provided.

12. Nominations for 2004 Desert Peaks Awards

The Desert Peaks Awards Evening will be held in conjunction with the Regional Council Annual Meeting on Wednesday, June 23, 2004. Hors d'oeuvres will be served. The Desert Peaks Awards were initiated by the Maricopa Association of Governments (MAG) to recognize individuals and partnerships that have demonstrated a commitment to regionalism through their cooperative efforts. By working together, local governments can solve common problems, proactively address concerns that affect all communities, and produce impressive results that strengthen both individual communities and the region. These joint efforts often lead to a better use of resources and service delivery to citizens. By participating in this nomination process, you are helping us honor those people, projects and partnerships that make our region a great place to live, work, play and raise a family. On February 24, 2004 nomination forms were distributed to all members of the MAG POPTAC. Nominations are due to MAG by March 29, 2004. For more information about the awards banquet and for nomination forms, please go to <http://www.mag.maricopa.gov/detail.cms?item=3454>

13. Next Meeting of the MAG POPTAC

The MAG POPTAC is scheduled for Tuesday April 20, 2004.

12. For information and discussion.

13. For information and discussion.

MINUTES OF THE
MARICOPA ASSOCIATION OF GOVERNMENTS
POPULATION TECHNICAL ADVISORY COMMITTEE

January 20, 2004
MAG Office, Suite 200, Cholla Room
302 North 1st Avenue
Phoenix, Arizona

MEMBERS IN ATTENDANCE

George Pettit, Gilbert, Chairman	*Horatio Skeete, Litchfield Park
John Petroff, Apache Junction	Tom Ellsworth, Mesa
Rachel Burke for Adrian Williamson, Avondale	*Matt Holm, Maricopa County
**Liz Zeller, Buckeye	Tim Bolton for Prisila Ferreira, Peoria
*Usama Abujbarah, Cave Creek	Tim Tilton, Phoenix
David de la Torre, Chandler	**John Kross, Queen Creek
Mark Smith, El Mirage	Harry Higgins, Scottsdale
**Denise Lacey, Fountain Hills	*Scott Phillips, Surprise
*Terry Yergan, Gila River Indian Community	Hector Tapia, Tempe
**Kate Langford, Glendale	*Mark Fooks, Youngtown
**Janeen Gaskin, Goodyear	*Anne MacCracken, Valley Metro
**Gary Smith, Guadalupe	

* Not in attendance
** Participated via audioconference

OTHERS IN ATTENDANCE

Paige Webster, El Mirage	Elaine Trammell, MAG
Michelle Green, MAG	Harry Wolfe, MAG

1 Call to Order

The meeting was called to order by Chairman George Pettit at 10:05 a.m.

2. Call to the Audience

There were no requests to address the MAG POPTAC.

3. Approval of Meeting Minutes of November 18, 2003

Mark Smith noted that Sharon Campbell was in attendance in place of Mark Smith, and that on Item #4 on page two, second line, the third to the last word should be changed to "its." It was moved by Mark Smith, seconded by Harry Higgins and unanimously recommended to approve the meeting minutes of November 18, 2003

4. July 1, 2003 Maricopa County and Municipality Resident Population Updates

Harry Wolfe explained that the DES POPTAC recommended approval of July 1, 2003 Resident Population Updates for the State of Arizona and its counties using a Maricopa County control total of 3,396,875. Because this was within one percent of the 3.4 million place holder control total used by MAG, staff has modified the estimates to conform to the official DES County control total. He explained that the Updates were approved by the DES POPTAC on December 5, 2003. He added that the updates are used to distribute \$23 million annually in lottery funds, to prepare financial plans, to determine municipal per capita water use targets and to set expenditure limitations where necessary.

Tim Bolton asked about the source of the occupancy rates and persons per household for preparing the estimates. Harry Wolfe responded that the occupancy rates and persons per household were derived from Census 2000. He added that since the population estimates were adjusted to a DES control total, the occupancy rates were modified to produce an effective occupancy rate. He explained that if the estimates had not been adjusted to the County control total, then the absolute occupancy rates could have been used.

George Pettit stated that the use of estimates for determining municipal per capita use water targets was becoming a more importance issue.

5. Enhancements to the Population Estimates Process

Harry Wolfe explained that during the preparation of the 2003 resident population estimates a number of issues arose regarding the methods used to prepare the estimates at the State and County level. He also noted that support was expressed for pursuing enhancements to the methods prior to the development of the 2004 estimates. Mr. Wolfe said that in response to this expression of support, MAG had hosted two brainstorming sessions to generate ideas on enhancements to the estimates methodology. He said that the results of the brainstorming sessions would be considered at the DES Methodology Subcommittee on Friday, January 23, 2004.

Paige Webster asked where he could find documentation on the methods used by DES to derive its population estimates. Harry Wolfe responded that he believed that it was on their website, but that he would be happy to forward copies that explain the methods used.

6. Preparation of July 1, 2004 Resident Population Updates

In preparation for the development of 2004 Resident Population Updates, the Arizona Department of Economic Security (DES) has forwarded to the Manager of each MAG Member Agency a memo requesting that he/she designate a contact or contacts for providing information on annexations and residential permit completions.

Denise Lacey requested that the forms be forwarded to her to provide for a timely submittal. Harry Higgins said that if the member agency's building permit representative inadvertently sent the data to DES, that the individual should still realize that he/she needs to forward it to MAG as well.

7. 2005 Census Survey

On December 5, 2003 the MAG Regional Council unanimously recommended that MAG conduct a 2005 Census Survey at an estimated cost of \$7.5 million. This cost also includes a full count of population in Group Quarters and a homeless count.

MAG staff will be working with the Bureau of the Census on preparations for the Census Survey. An agreement for the 2005 Census Survey needs to be signed with the Census Bureau by March of 2004. MAG staff will be conferring with the Bureau of the Census staff on the logistics of the survey and will provide a status report.

David de la Torre asked whether member agencies would receive information on the preparations they need to make for the 2005 Census Survey in the coming months. Harry Wolfe responded that MAG staff would distribute that information.

8. Preparation of DES County Population Projections

Harry Wolfe said that MAG was urging DES to develop an official set of State and County population projections. He said that since County level migration data by single year of age was not going to become available, that DES was going to be using an alternative data series. He indicated that he would urge DES to move ahead with the official projections at the next MAG POPTAC meeting.

9. 2003 Aerial Mapping

Harry Wolfe stated that MAG has purchased aerial imagery from Aerials Express with a license allowing us to provide one copy of the imagery to each of our member agencies at no additional cost. He added that on January 6, 2004 MAG staff sent an e-mail to GIS representatives and POPTAC representatives of Member staff informing them that the aerials were available upon request after signing a licensing agreement. Mr. Wolfe said that any member agency that had not received a copy of the imagery and still wanted one should contact MAG.

10. Proposed Information Services (IS) Projects for the Fiscal Year (FY) 2005 MAG Unified Planning Work Program (UPWP)

MAG is assembling its draft FY 2005 MAG UPWP. The IS Division has proposed two new projects for FY 2005. One of the projects examines a new socioeconomic projections model – UrbanSim – and possibly partnering with the Pima Association of Governments and the Central Arizona Association of Governments on the development of an urban model incorporating the best features of SAM and UrbanSim. The other project collects additional socioeconomic variables for future socioeconomic modeling such as land values.

George Pettit asked why a new projections model was being developed, when so much time had been spent on the existing projections effort. Harry Wolfe responded that MAG always looks for ways to enhance its models, and that the new modeling effort would take several years. He added that the official projections that would be approved in the coming year would be based on the existing models. was exploring it would take several years to

11. MAG POPTAC Schedule for 2004

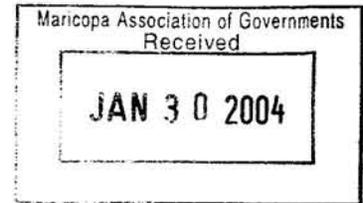

Harry Wolfe reported that a tentative schedule of the MAG POPTAC meetings for 2004 was prepared and is included in Attachment Four of the Agenda. He noted that the POPTAC normally meets on the third Tuesday of each month.

12. Next Meeting of the MAG POPTAC

George Pettit stated that the next meeting of the MAG POPTAC was scheduled for Tuesday February 17, 2003.

Facsimile and Mail (602-542-7425)

Samuel A. Colon
Populations Statistics Unit, SC 045Z
Arizona Department of Economic Security
PO Box 6123
Phoenix, AZ 85005-6123

Dear Mr. Colon:

This will respond to your request for designated contacts for Annexation and Housing Unit completion data for the Town of Gilbert.

I delayed responding to this request so that I could weigh the number of independent requests and duplicative requests for this same information from several levels of government and private agencies.

As an example, the State of Arizona agencies already include Department of Revenue (Property Examiner), Department of Transportation (Planning Dept.), Corporation Commission (Utilities Division), Liquor Control, DES Economic Estimates Commission, DES Population Statistics, and Attorney General.

This is somewhat better than the federal government, Bureau of Census who requires mailing to Indiana and Washington DC, and the Maricopa County Sheriff who requires notice to two separate administrative entities.

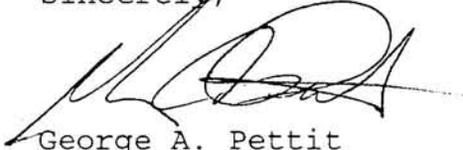

In short, I am complying with your request with the attached forms.

However, I am also suggesting that there are existing data depositories which could be used as a clearing house for this data - specifically the Maricopa Association of Governments. As Chair of the Population Technical Advisory Committee we already review and forward information to you on housing unit completions, and I would hope that would be sufficient.

This appears to be another of those classic governmental inefficiencies which are present in our constituent's images of government.

I can be reached at 480-503-6864 if you have further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "G. A. Pettit", with a stylized flourish at the end.

George A. Pettit
Manager

Internet Release date: March 4, 2004

MARICOPA ASSOCIATION OF GOVERNMENTS INFORMATION SUMMARY... for your review

DATE:

February 17, 2004

SUBJECT:

Preparations for Conducting the 2005 Census Survey

SUMMARY:

In December 2003, the MAG Regional Council approved conducting a 2005 Census Survey and a full count of population in Group Quarters estimated to cost \$7.5 million. This assumes a 95 percent accuracy level plus/minus two percent and a 50 percent response rate to the survey mail-out. The date of the Census Survey is September 1, 2005. Federal Highway Administration (FHWA) funds would cover \$4.148 million of the estimated cost, while the remaining estimated \$3.352 million would be incurred by MAG member agencies in accordance with a cost allocation method developed by the MAG Subcommittee on 2005 Population Options and approved by the Regional Council. These costs are estimates and subject to change based on refinements by the Census Bureau. In addition, the final cost will be dependent upon the response rate to the Census Survey and actual costs incurred.

MAG needs to enter into an agreement for undertaking the Census Survey by March of this year. The initial installment payments will be provided with FHWA funds, while member agencies' share of costs will be due in July 2005. In addition, MAG and its member agencies will need to provide the Census Bureau with telephone lines, testing locations, support for publicizing and promoting the Census Survey, space for interviewer/crew leader training, office space for "command central" and associated office furniture/equipment and supplies.

To properly prepare for the Census Survey, member agencies will need to: ensure that their corporate limits are reported to the Census Bureau through the annual Boundary and Annexation Survey; define any subregions for the survey (only required for the cities of Phoenix and Mesa); and work cooperatively with MAG to identify group quarters and submit new permit completions in a timely fashion.

The results of the survey and count of population in Group Quarters will be released by June of 2006 and will be used for distributing state-shared revenues to member agencies from 2006 through 2010. The output of the survey will include: population in housing units, population in group quarters, total housing units and occupied housing units for each of the 24 cities and towns and the balance of the county. Phoenix and Mesa will receive this information for five and two subregions respectively since they have requested that their jurisdictions be broken down into subregions.

The estimated costs for each MAG member agency to conduct the 2005 Census Survey are identified in the table on the next page.

**Estimated Cost of the Census Survey Using 95% Confidence Interval +/-2 Percent
With All Cities Less than 25,000 People and Less than 3.6% Growth Allocated by Population
Group Quarters Count Figured Separately
and FHWA Providing Additional Contribution**

Jurisdiction	Estimated Share of Survey Cost
Avondale	\$95,700
Buckeye	\$119,700
Carefree	\$3,200
Cave Creek	\$4,200
Chandler	\$145,500
El Mirage	\$130,600
Fountain Hills	\$23,100
Gila Bend	\$1,900
Gilbert	\$100,400
Glendale	\$158,100
Goodyear	\$115,100
Guadalupe	\$5,000
Litchfield Park	\$3,800
Mesa	\$438,700
Paradise Valley	\$13,700
Peoria	\$150,400

Queen Creek	\$39,100
Scottsdale	\$192,800
Surprise	\$189,900
Tempe	\$176,700
Tolleson	\$5,300
Wickenburg	\$7,600
Youngtown	\$28,800
Balance of County	\$231,600
Total for Member Agencies	\$3,352,000
Federal Highway Administration	\$4,148,000
Total Survey Cost	\$7,500,000

Note: Numbers may not add due to rounding

PUBLIC INPUT:

A citizen encouraged efforts to ensure he is counted in the Special Census.

PROS & CONS:

PROS: Preparing properly for the Census Survey is essential to achieving a successful survey outcome.

CONS: Census Survey preparations are time-consuming and require a commitment of staff resources.

TECHNICAL & POLICY IMPLICATIONS:

TECHNICAL: The logistics of carrying out a Census Survey for the region will be demanding, but will carry certain benefits of economies of scale and regional promotional activities to achieve participation and staffing.

POLICY: The 2005 population counts will be used to distribute about \$985 million annually in state-shared revenues between 2006 and 2010. The Federal Highway Administration has offered to provide funding to cover more than 50 percent of the cost of a Special Survey.

ACTION NEEDED:
Information and discussion.

PRIOR COMMITTEE ACTIONS:

Management Committee: On February 11, 2004, the MAG Management Committee was briefed on the preparations for the 2005 Census Survey.

MEMBERS ATTENDING

Terry Ellis, Peoria, Chair	Horatio Skeete, Litchfield Park
Mike Hutchinson, Vice Chair, Mesa	Tom Martinsen, Paradise Valley
# George Hoffman, Apache Junction	Frank Fairbanks, Phoenix
Todd Hileman, Avondale	# Cynthia Seelhammer, Queen Creek
Joe Blanton, Buckeye	* Bryan Meyers, Salt River Pima-Maricopa Indian Community
* Jon Pearson, Carefree	Roger Klingler for Jan Dolan, Scottsdale
Usama Abujbarah, Cave Creek	Jim Rumpeltes, Surprise
Mark Pentz, Chandler	Randy Gross for Will Manley, Tempe
B.J. Cornwall, El Mirage	Ralph Velez, Tolleson
* Tim Pickering, Fountain Hills	Shane Dille, Wickenburg
* Vacant, Gila Bend	Mark Fooks, Youngtown
Urban Giff, Gila River Indian Community	Andy Smith for Victor Mendez, ADOT
George Pettit, Gilbert	Tom Buick for David Smith, Maricopa County
Dana Tranberg for Ed Beasley, Glendale	Ken Driggs, Valley Metro/RPTA
Stephen Cleveland, Goodyear	
Tom Morales, Guadalupe	

*Those members neither present nor represented by proxy.

Participated by videoconference or telephone conference call.

MAG Regional Council: On December 3, 2003, the Regional Council approved undertaking a region-wide Census Survey at an estimated \$7.5 million cost, with the \$3,352,000 estimated local share distributed to member agencies in accordance with the revised methodology and the table included in the memorandum.

MEMBERS ATTENDING

# Mayor Wendy Feldman-Kerr, Queen Creek, Chair	Supervisor Max W. Wilson, Maricopa County
Mayor Keno Hawker, Mesa, Vice Chair	Mayor Edward Lowry, Paradise Valley
Mayor Douglas Coleman, Apache Junction	* Mayor John Keegan, Peoria
Mayor Ron Drake, Avondale	Mayor Skip Rimsza, Phoenix
* Mayor Dusty Hull, Buckeye	* President Joni Ramos, Salt River Pima-Maricopa Indian Community
* Mayor Edward Morgan, Carefree	Mayor Mary Manross, Scottsdale
Vice Mayor Ralph Mozilo, Cave Creek	Mayor Joan Shafer, Surprise
* Mayor Boyd Dunn, Chandler	Councilmember Dennis Cahill for Mayor Neil Giuliano, Tempe
Mayor Robert Robles, El Mirage	* Mayor Adolfo Gamez, Tolleson
Mayor Wally Nichols, Fountain Hills	# Mayor Lon McDermott, Wickenburg
Mayor Chris Riggs, Gila Bend	Mayor Bryan Hackbarth, Youngtown
* Governor Richard Narcia, Gila River Indian Community	# Rusty Gant, ADOT
