

HOPE IS COMING!

Do you qualify for a home loan modification? What are the government programs? Have you tried to negotiate with your bank and gotten nowhere? Should you hire someone to help you? What are the tax and credit score implications of short selling vs. foreclosure?

This event is being organized by the **Arizona Foreclosure Prevention Task Force**, a non-profit established to meet the needs of families facing the current economic crisis.

**Join us October 10th, 2009 at 9am,
