Workshop/Panel Topics

Domestic Violence...Bringing the Darkness Into the Light: Human Resource Professionals & Supervisors Respond to DV

Human Resource Professionals will lead in a discussion and provide information about what to do when faced with Domestic Violence situations in the workplace.

Security Issues in Health Care Settings

Workshop presenters will discuss how to keep employees and patients safe when Domestic Violence comes to the healthcare workplace.

First Responders: Safety & Healing Begins With You

This workshop will help healthcare professionals access resources that are already available in many healthcare settings and the community, such as social workers and advocates.
