TENTATIVE AGENDA

COMMITTEE ACTION REQUESTED

8. Preliminary Discussion of "Indicators of Sustainable Competitiveness" Report

At the November 21, 2002 Executive Committee meeting, the program for the January 10, 2003 Regional Council Retreat was discussed. One of the proposed items for the Retreat was to have a representative(s), from the San Diego Association of Governments (SANDAG) discuss their recently released "*Indicators of Sustainable Competitiveness*" report. Before placing this item on the Retreat agenda, the Executive Committee requested that a representative of SANDAG be contacted to provide additional information. After the agenda was mailed, we confirmed that Marney Cox, Chief Economist for SANDAG, will be available through an audio or video conference to discuss the concept for the report and how it has been received. Please refer to the enclosed material.

8. For information, discussion and possible action to invite a representative(s) from SANDAG to the January 10, 2003 Regional Council Retreat to discuss the "Indicators of Sustainable Competitiveness" report.
