4. Criminal Justice

- (10) Provide counseling and education for adults and children involved in criminal justice systems.
- (11) Standardize training for criminal justice personnel including judges, protem judges, court staff, prosecutors and police/fire departments
- (12) Victims requesting Orders of Protection should be given priority service.
- (13) Noncompliant offenders should be held accountable by the criminal justice system through expeditious handling of cases, collection of relative data on the offender for judges, and supervised probation
- (17) Consider adopting the Family Violence Center model for larger communities (smaller communities capture aspects of the model perhaps on a regional level)
- (18) All local governments should implement the Maricopa County Attorney's DV Protocols.
