# ATIS01 - Broadcast Traveler Information Local Cities and Municipalities (1 of 2)

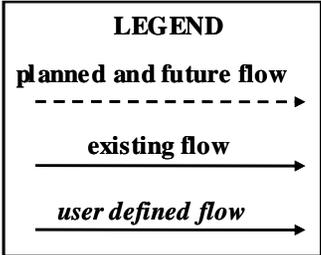

# ATIS01 - Broadcast Traveler Information Local Cities and Municipalities (2 of 2)

*Many local PIOs are utilizing social media services to relay traveler information to the public. This availability of information from local agencies is being updated regularly and therefore is being shown as an existing information flow to assume all agencies will eventually provide this information to travelers through their own services or via other services.*

*The planned and future flows are not necessarily being funded. They may reflect the desire to have the data link from either or both sides of the stakeholders.*
