

## Addendum III

Questions below are from 10/5/20 at 6:38AM

*I noticed on the RFP, there were some references to Paychex being the payroll, HR provider, etc. Can ADP be included in this RFP as well? I am speaking about this: <https://www.azmag.gov/Portals/0/Documents-Ext/RFP-RFQ/MAG-RFP-1099-for-ERP-System-rev1.pdf>*

*I am asking because there may be some efficiencies ADP can assist with integration with the selected ERP system.*

**1. Can ADP be included in this RFP as well?**

Yes, please refer to section 1.6 of the RFP for details. MAG is requiring that Vendors propose a complete ERP solution including responses to the core modules.
