Project Funding Category:

Funding Category	Preferred Programming Year
Design	
Construction	
Planning Study	
Transit Security	FY20

Please provide a short narrative. Be specific about how you plan to utilize the funding if awarded and what year(s) you are requesting funding for. Include in the description the significance of the project to the participating agency(s).

This project will fund the purchase and installation of 2 new cameras at the P&R, one at the entrance to capture vehicles coming and going in and out of the facility, and one that will provide video footage of the walkway that connects the parking area to the passenger waiting/boarding area.

This project will also replace the remaining 2 original cameras on the north side of the facility. The other 4 were replaced last year with security grant funding from the Avondale/Goodyear UZA.

Location(s) of Project. Please attach a photograph of the existing condition.

MAG Demographic Viewer Instructions: Use the "MAG Demographic Mapping" link above.

1. Zoom in to your project area. On the right-hand side of the screen, under "Reports," select "Custom Summary."
2. Next, select "Corridor of Interest."
3. Left-click to begin drawing. Draw a line along the bus route that corresponds to your project, left-clicking where needed to change the direction of the line (note: you may need to do this multiple times if improvements are proposed along multiple routes).
4. Double-click to finish drawing the line. The selected census blocks will become highlighted in blue. A pop-up box will appear with "Report Results for Selected Block Groups."

Select the "ACS 2016 Data" tab, and use the data found there. You may export the results to Excel (click the Excel icon at the top-right side of the pop-up window) for your records.
