Please provide a short narrative. Be specific about how you plan to utilize the funding if awarded and what year(s) you are requesting funding for. Include in the description the significance of the project to the participating agency(s).

Lower Buckeye Road from 125th Avenue to El Mirage Road is a Maricopa County maintained road in an unincorporated strip of land bordered by the city of Avondale on the north, south, and east. The two bus stops in this segment serving the Avondale Zoom are identified in the MCDOT ADA Transition Plan as not in compliance with the 2010 ADA Accessibility Standards. This project will include approximately 1,370 linear feet of curb, gutter, and five-foot sidewalk with appropriate curb ramps. The sidewalk on the north side will be between 123rd Drive and El Mirage Road. The sidewalk on the south side of Lower Buckeye Road will run between 125th Avenue and El Mirage Road and will provide an all-weather accessible route to Las Ligas Park on 124th Avenue. The funding could be used in either FY2021 or FY2022 to close a gap in the regional pedestrian network.

Location(s) of Project. Please attach a photograph of the existing condition.
