| <input checked="" type="checkbox"/> Information / Signage           | <input checked="" type="checkbox"/> Improvements to boarding and alighting area |
| <input checked="" type="checkbox"/> Curb Ramps/Slope/Landings       | <input type="checkbox"/> Other: Please Describe                                 |

**Please provide a short narrative. Be specific about how this project will benefit people with disabilities. Include in the description the significance of the project to the participating agency(s).**

Of the fourteen bus stops identified for this project, several currently do not have an ADA compliant pad, or they do not have a pad at all. Of the two shade structures that exist at these locations, neither is ADA compliant as currently configured. Additionally, one of the more frequently used stops (location 4), does not have any connecting sidewalk for approximately 700 feet on the south and east sides of the location. None of the identified locations currently have adequate lighting.

This project is intended to install appropriate concrete pads for nine locations, and shade structures, lighting, benches, and trash receptacles for twelve locations. The existing non-compliant structures would be removed, modified, and placed at two other locations where no shade structures currently exist. One of these locations is planned to be developed within the next twenty four months and will be replaced by the developer. The project also proposes to install sidewalk at location 4, connecting to the post office on the east, and the apartments to the south, which totals approximately 1,400 linear feet.

Five of the proposed fourteen locations border the City of Phoenix or the City of Avondale. If approved, this project will greatly improve the ADA compliance and accessibility to transit services, as well as the safety of all riders at these locations. We believe it will also have a positive impact on ridership.

**Cost Summary:**

Description	Source	Amount
Structure/Lighting Installations @ 14 locations	ATAN/City of Tolleson	\$126,000
Pad Installations @ 9 locations	ATAN/City of Tolleson	\$23,000
Sidewalk Installation @ 1 location	ATAN/City of Tolleson	\$34,000
Total Estimated Cost of Project		\$183,000
Local Match Amount (20%, if more indicate ____ %)		\$36,600
Amount Requested (80%)		\$146,400

**Ridership Information:**

Location	Ridership	Date
City of Tolleson Bus Stops (Routes 3, 17, Avondale ZOOM South)	Average of 249 Boardings/Day	FY 2017

### Estimated Costs Per Location

		Estimated Costs				
#	Location	Equipment	Pad	Sidewalk	Notes	Total
1	SE Corner of 79th Ave and Van Buren St	\$10,500	\$3,000		A	\$13,500
2	SW Corner of 87th Ave and Van Buren St	\$10,500	\$2,500			\$13,000
3	NW Corner of 87th Ave and Van Buren St	\$10,500				\$10,500
4	SE Corner of 91st Ave and Van Buren St	\$10,500	\$2,500	\$34,000	B	\$47,000
5	NE Corner of 91st Ave and Van Buren St (WB)	\$10,500				\$10,500
6	NE Corner of 91st Ave and Van Buren St (NB)	\$10,500	\$2,500			\$13,000
7	SW Corner of 91st Ave and McKinley St	\$10,500	\$2,500			\$13,000
8	SE Corner of 91st Ave and Christa Way	\$10,500	\$2,500			\$13,000
9	SB 91st Ave between Polk St and Taylor St	\$10,500				\$10,500
10	NW Corner of 91st Ave and Roosevelt St	\$10,500				\$10,500
11	EB 98th Ave and McDowell Rd	\$10,500	\$2,500			\$13,000
12	SW Corner of 91st Ave and McDowell Rd	\$10,500	\$2,500			\$13,000
13	McDowell Rd west of 89th Ave					\$0
14	McDowell Rd east of 86th Dr		\$2,500			\$2,500
<b>Total Estimate</b>		<b>\$183,000</b>				

**Notes:**

- A. Some additional grading needed for pad
- B. 1,400 linear feet, 6 ft. wide, @ \$4.05 sq. ft.
