Request for Project Change - MAG Transportation Improvement Program

CURRENTLY PROGRAMMED

Agency	Section	Work Year	TIP ID	Location	Work	Estimate Date for Completion/Open to Traffic: MM/YY	Miles	Lanes Before	Lanes After	ALI	AQ Area/ county	Life cycle program, or none	TRACS	Funding Year	MAG Mode	Funding	Federal	Regional	Local	Total	Note
Tempe	Highway	2015	TMP15-402	Highline Canal from Auto Drive in the City of Tempe to Chandler City limits.	Design ADA compliant street crossing treatments, bridges, landscaping, lighting and concrete path.	2015	1.5	0	0		Maricopa	None	----	2015	Bike/Ped	Local	0	0	330,736	330,736	No Change/Ongoing
Tempe	Highway	2016	TMP16-405	Highline Canal from east of Priest Drive/Avenida Del Yaqui south approximately 2.5 miles.	Construct multi use path and associated features such as way-finding signs, lighting, signalized crossings and bike amenities including bike racks.	2016	2.5	0	0		Maricopa	None	----	2016	Bike/Ped	TAP-MAG	1,366,661	0	100,608	1,467,269	Combine With TMP17-404
Tempe	Highway	2017	TMP17-404	Highline Canal from Auto Drive in the City of Tempe to Chandler City limits.	Construct ADA compliant street crossing treatments, bridges, landscaping, lighting and concrete path.	2017	1.5	0	0		Maricopa	None	----	2017	Bike/Ped	TAP-MAG	1,866,956	0	124,849	1,991,805	Combine with TMP16-405
total																	3,233,617	-	556,193	3,789,810	

REQUESTED CHANGE - Please include New Projects

Agency	Section	Work Year	TIP ID	Location	Work	Estimate Date for Completion/Open to Traffic: MM/YY	Miles	Lanes Before	Lanes After	ALI	AQ Area/ county	Life cycle program, or none	TRACS	Funding Year	MAG Mode	Funding	Federal	Regional	Local	Total	Requested Change
Tempe	Highway	2017	TMP17-404	Highline Canal from east of Priest Drive/Avenida Del Yaqui south approximately 2.5 miles and Highline Canal from Auto Drive in the City of Tempe to Chandler City limits.	Construct multi use path and associated features such as way-finding signs, lighting, signalized crossings and bike amenities including bike racks. Construct ADA compliant street crossing treatments, bridges, landscaping, lighting and concrete path.	2017	4	0	0		Maricopa	None	----	2017	Bike/Ped	TAP-MAG	3,233,617	-	225,457	3,459,074	Amend: Request to combine TMP16-405 and TMP17-404. The projects are contiguous and would reduce the design and construction costs to the region and the city.
Tempe	Highway	2016	TMP16-405	Highline Canal from east of Priest Drive/Avenida Del Yaqui south approximately 2.5 miles.	Construct multi use path and associated features such as way-finding signs, lighting, signalized crossings and bike amenities including bike racks.	2016	2.5	0	0		Maricopa	None	----	2016	Bike/Ped	TAP-MAG	1,366,661	-	100,608	1,467,269	Amend: Delete listing, Combine With TMP17-404.
