

Arizona Connections to Israel

Israel and Arizona are economically connected. A variety of companies based in Israel have expanded into Arizona, providing a growing number of jobs for Arizonans. As an industrial powerhouse and Startup Nation, Israeli-owned companies bring high tech jobs to Arizona in industries such as aerospace, advanced business services, and telecommunications. Israel is also a top trading partner with Arizona, with a 2018 trade balance (surplus) of \$234 million.

Israeli-Owned Companies in Arizona

75% of Arizona jobs provided by Israel based companies are in Aerospace and Advanced Business Services.
